Caballo Magico:

El Caballo Magico Joelle Barnabe,1995 The Magic Horse - El Caballo Magico Idries Shah,2015-09-01 The Magic Horse is the story of two brothers one skilled in all the practical arts and the other Prince Tambal considered by most people to be only a dreamer Their father the King announces a competition to produce interesting and useful devices the entry produced by a woodcarver appears to be a simple wooden horse apparently of little value Prince Tambal discovers however that the horse is able to magically transport its rider to whatever place is in the mind of the rider In this way Prince Tambal comes to learn a great many things and eventually comes to know his heart s desire The Magic Horse is one of the hundreds of stories collected by Idries Shah from sources in the Middle East and Central Asia In the Sufi tradition there is a continuum between the children s story the entertainment or folklore story and the instructional or instrumental story A story can help children deal with difficult situations and give them something to hold on to It can at the same time stimulate a deeper understanding in adults Through the instrumental function of this rich body of oral and written material we and our children can now learn to develop the capacity to be more flexible and to understand many more things about ourselves and about life El caballo mAgico es una de las cientos de historias recogidas por Idries Shah En la tradiciOn sufi hay un continuo entre la historia para niNos la historia folclOrica y de entretenimiento y la historia de instrucciOn o instrumental Un cuento puede ayudar a los niNos a manejar situaciones difciles y darles algo a que atenerse Puede al mismo tiempo estimular una comprensiOn mAs profunda en los adultos A travEs de la funciOn instrumental de este rico cuerpo de material oral y escrito nosotros y nuestros hijos podemos ahora aprender a desarrollar la capacidad de ser mAs flexibles y de entender mucho mAs sobre nosotros mismos y sobre la vida **CABALLO MAGICO.
