## **Cad Confessions Of A Toxic Bachelor:**

**Cad** Rick Marin, 2004-05 You know him He s the funny sweet guy with the great eyes who asks you a million questions and seems mesmerized by every reply He takes you on the greatest longest date of your life He swears he loves cats and cuddling And his apartment is so clean He just might be the One Then he doesn t call doesn t write He sees you coming down the street and he hides behind a tree He s a cad And this is his story After all the girl s guides to sex in the city here at last is the view from the other side of the bed In *Cad Confessions of a Toxic Bachelor* Rick Marin offers himself up for an in depth look at man s superficial nature In this rollicking frequently insensitive and ultimately poignant memoir Marin proves a master of the light touch even in his darkest hours Part Hugh Hefner part Hugh Grant his tale is a rake s progress in spite of himself from incorrigible cad to reconstructed romantic It is one man s story but many men will read it as their own And for any woman who has ever wondered What was he thinking This is what he was thinking Laugh out loud funny ElleMove over *Bridget Jones The Week* A very good intelligent and funny book Evening Standard

**Cad** Rick Marin, 2003 Shy and cosseted I developed a wide eyed attraction to anything exciting or damaged I idolized women with those qualities but was ill equipped to deal with them I didn t even butter my own toast until I left home for college No wonder I became a magnet for women who threw toast And a magnet he was to every neck snappingly beautiful nutcase in sight The story begins with Elizabeth his ex wife and the woman who wore Kabuki style white make up Martin never saw her without it and she kept all her hair trimmings in a suitcase in a suitcase under the bed Eventually she leaves him for his 29th birthday sends him a copy of *American Psycho* with a note I hope this doesn t happen to you The result is a descent into a rakish experience of sexual manoeuvring Brilliantly written with an easy self deprecatory charm we see Martin work his way through various madwomen until salvation Ilene who totally has his number and makes him a better man again

**Things I've Learned from Women Who've Dumped Me** Ben Karlin, 2008-02-04 The Emmy award winning former executive producer of *The Daily Show* and *The Colbert Report* has assembled a stellar lineup of men who have one thing in common all have been dumped and are willing to share their pain and the lessons learned Relationships end And in almost all of them even the most callow among us take something away This is a book about that something whether it be major life lessons like If you lie you will get caught simple truths like Flowers work or something wholly unique like Watch out for the high strung brother in the military This anthology will be comprised of longer and shorter pieces drawn from an array of impressive celebrities writers and public figures Some pieces may be a paragraph in length while others will be full blown essays All of them will be about that salient something men take away from a failed relationship Yes men learn This is not a touchy feely book This is not a self help book This is a book packed with smart funny and insightful stories from men you probably thought never got dumped or if they did would never admit it

**What Did I Do Last Night?** Tom Sykes, 2007-10-30 When Tom Sykes landed his dream job as the New York Post s bar columnist and nightlife reporter he turned his long standing drinking problem into a vocation His memoir is a

funny thrilling and ruthlessly honest exhumation of his drinking life and a candid account of his first 90 days without alcohol Tom traces his alcoholism back to his British boyhood at Eton College England's oldest and most exclusive boarding school where the boys had to wear tail suits to class and there was a school pub He delves into his aristocratic family's well documented fondness for the bottle and covers his own drinking apprenticeship as a trainee journalist on London's famously alcohol sodden newspapers Whether he is getting arrested for drunk driving at the age of 15 climbing naked into his friends and colleagues beds or simply trying to file an emergency front page update while reeling from a cocktail of Ecstasy and magic mushrooms Tom takes the reader on an addictive journey into the insanity of intoxication all too often followed by a mossy tongue a dull headache and one burning question What the hell did I do last night Lads Dave Itzkoff, 2004-09-07

What I wanted after college was a job and my own apartment but what I needed was a good comeuppance and that's what I got When Dave Itzkoff graduated from Princeton in 1998 the first member of his family to earn a college degree he expected to be rewarded with a career and a life that mattered Instead he ended up convinced that he was selling the entire institution of manhood down the river After a series of personal and professional experiences stripped him of any lingering sense of entitlement Itzkoff found himself working as an editor at Maxim the pugnacious frontrunner in a new breed of men's periodicals dubbed lad magazines There he was initiated into a culture of heavily retouched girlie pictorials dirty jokes disingenuous sex advice and shopping guides for expensive electronic gadgetry And as Maxim continued its inexorable rise to become the most successful men's magazine in modern publishing history Itzkoff was left wondering what his work and his life really meant Lads is the hilarious heartbreaking story of Dave Itzkoff's efforts to define himself as a man while working at a magazine that was purveying a vision of young manhood a state of perpetual adolescence that was seductive to all but viable for none Lads takes us deep inside one young man's struggle with identity responsibility and sexuality in an unsparingly candid account of how men really relate to one another as fathers and sons as employers and employees as colleagues and friends Lads is trenchant Lads is perceptive Lads is alarmingly funny This is an unforgettable debut from a young writer of astounding talent **Hooking Up or Holding Out** Jamie Callan, 2006-11 Enlightening and empowering if not your mother's dating book Hooking Up is highly recommended Library Journal Hooking up is cool but holding out can be even better Many women don't feel great about hooking up before they're really ready but they're not sure how to go about holding out and still keep the guy interested Most books that recommend holding out prescribe tired old retro games not picking up the phone or pretending to have a date already This straight talking guide is new different and smart You can have a great time with men hold plenty of power and just be yourself Hooking Up or Holding Out shows you how to Decide when the time is right and when it's just impulse sex Settle for nothing less than the very best sex life Hold off unwanted advances and play the field Make friends with lots of men and go on plenty of great dates Create a romance that's artful and full of passion Hook up with truly great men Have more fun in love than ever before **Newsweek**, 2003 **TV Guide**
