Caesar A Sketch:

Caesar James Anthony Froude, 1902 Caesar: a Sketch James Anthony Froude, 2018 Caesar A Sketch by James Anthony Froude is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley s mission is to bring long out of print manuscripts back to life **Cæsar** James Anthony Froude, 1891 Caesar James Anthony Froude, 2006-03 Caesar James Anthony Froude, Caesar James Froude, 2021-10-20 Distinguished historian James Anthony Froude 1818 1894 was Late Regius Professor of Modern History in The University of Oxford He was an acclaimed writer as well as the biographer and close friend of Thomas Carlyle Caesar A Sketch was lauded in the past as the best biography of Julius Caesar in the English language Froude s twenty eight chapter biography or sketch of Caesar is also a short history of Rome itself The first six chapters are dedicated to the history of Rome before the time of Caesar and the rest of the chapters span from the birth of Caesar to the death of Cicero _____ I have called this work a sketch because the materials do not exist for a portrait which shall be at once authentic and complete The original authorities which are now extant for the life of Caesar are his own writings the speeches and letters of Cicero the eighth book of the Commentaries on the wars in Gaul and the history of the Alexandrian war by Aulus Hirtius the accounts of the African war and of the war in Spain composed by persons who were unquestionably present in those two campaigns To these must be added the Leges Juliae which are preserved in the Corpus Juris Civilis Sallust contributes a speech and Catullus a poem A few hints can be gathered from the Epitome of Livy and the fragments of Varro and here the contemporary sources which can be entirely depended upon are brought to an end The picture which I have drawn will thus be found deficient in many details which have passed into general acceptance and I have been unable to claim for it a higher title than that of an outline drawing James Anthony Froude *Caesar* James A. Froude, 2020-07-23 **CAESAR A SKETCH** James Anthony 1818-1894 Froude, 2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Cæsar : a Sketch James Anthony Froude, 1879 **Caesar** Irwin Isenberg, 1964 **Caesar** James Anthony Froude, 2015-05-05 Caesar
