## Caillou Whats Inside:

Caillou Fabien Savary,2002 You can find Caillou on every page as you look for answers to simple questions by pulling tabs or lifting flaps on each page Lessons in the History of Louisiana, from its Earliest Settlement to the Close of the Civil War John Bull Smith Dimitry,2024-08-23 Reprint of the original first published in 1877 *Reading in the Digital Age: Young Children's Experiences with E-books* Ji Eun Kim,Brenna Hassinger-Das,2019-07-23 This edited book focuses on affordances and limitations of e books for early language and literacy features and design of e books for early language and literacy print versus e books in early language and literacy development and uses of and guidelines for how to use e books in school and home literacy practices Uniquely this book includes critical reviews of diverse aspects of e books e g features and e book uses e g independent reading for early literacy as well as multiple examinations of e books in home and school contexts using a variety of research methods and or theoretical frames The studies of children s engagement with diverse types of e books in different social contexts provide readers with a contemporary and comprehensive understanding of this topic Research has demonstrated that ever increasing numbers of children use digital devices as part of their daily routine Yet despite children s frequent use of e books from an early age there is a limited understanding regarding how those e books are actually being used at home and school As more e books become available it is important to examine the educational benefits and limitations of different types of e books for children So far studies on the topic have presented inconsistent findings regarding potential benefits and limitations of e books for early literacy activities e g independent reading shared reading The studies in this book aim to fill such gaps in the literature The Octopus in the Parking Garage Rob Verchick,2023-04-11 Winner 2023 Choice Outstanding Academic Title One morning in Miami Beach an unexpected guest showed up in a luxury condominium complex s parking garage an octopus The image quickly went viral But the octopus and the combination of infrastructure quirks and climate impacts that left it stranded is more than a funny meme It s a potent symbol of the disruptions that a changing climate has already brought to our doorsteps and the ways we will have to adjust Rob Verchick examines how we can manage the risks that we can no longer avoid laying out our options as we face climate breakdown Although reducing carbon dioxide emissions is essential we need to adapt to address the damage we have already caused Verchick explores what resilience looks like on the ground from early humans on the savannas to today s shop owners and city planners He takes the reader on a journey into the field paddling through Louisiana s bayous hiking in one of the last refuges of Joshua trees in the Mojave Desert and diving off Key Largo with citizen scientists working to restore coral reefs The book emphasizes disadvantaged communities which bear the brunt of environmental risk arguing that building climate resilience is a necessary step toward justice Engaging and accessible for nonexpert concerned citizens The Octopus in the Parking Garage empowers readers to face the climate crisis and shows what we can do to adapt and thrive Apps, Technology and Younger Learners Natalia Kucirkova,Garry Falloon,2016-11-10 This book provides an in depth analysis of the

challenges potential and theoretical possibilities of apps and considers the processes of change for education and home learning environments Drawing together a diverse team of international contributors it addresses the specific features context of use and content of apps to uncover the importance of these tools for young children s learning Apps Technology and Younger Learners focuses on ways that apps support early years and primary school learning connect various learning spaces and engage children in a range of edutainment and knowledge building activities In each chapter the current state of knowledge and key research questions in the field for future study are identified with clear messages provided at the end of each chapter Focusing on empirical studies and strong theoretical frameworks this book covers four key parts Understanding the learning potential of children s apps Key app challenges Empirical evidence Future avenues This book is an essential guide for educators post graduate students researchers and all those interested in the advantages or challenges that may result from integrating apps into early education **Caillou - Peek a Boo - What's Inside?** Two-Can Publishing Limited,2004-02-01
