Calculus A Modeling Approach Marvin L Bittinger:

Calculus Marvin L. Bittinger,1976 **Calculus** Marvin L. Bittinger,1976 Calculus Marvin L. Bittinger,1976 The MATYC Journal ,1980 **Politics and Uncertainty** Claudio Cioffi-Revilla,1998-07-16 Uncertainty is an ever present and ineradicable aspect of politics It affects all important issues of governance and policy in both domestic and international contexts Rather than treating the uncertainty of politics as a mystery this book provides an original and direct treatment of political uncertainty as a scientifically knowable phenomenon with well defined principles and substantive properties Specific applications of this theory of political uncertainty are demonstrated in diverse areas of politics examining such questions as when and how wars break out when and how governments collapse and when and how political cooperation emerges The author shows how probability and mathematical modeling can play a central role in understanding such complex and fundamental issues **The American Mathematical Monthly** ,1981 Includes articles as well as notes and other features about mathematics and the profession National Union Catalog ,1982 ,1983 **Notices of the American Mathematical Society** American Mathematical Society,1989 National Union Catalog ,1982 Books Out-of-print ,1986 **Library Recommendations for Undergraduate Mathematics** Lynn Arthur Steen,1992 Monographic Series Library of Congress, Library of Congress Catalogs Library of Congress,1977 **Catalog of Copyright Entries.
