## Cs Parnell:

C.S. Parnell Paul Bew,1980      *Words of the Dead Chief* Charles Stewart Parnell,2009 *Words of a Dead Chief* is an important text from a critical period in Irish nationalist politics Published in 1892 shortly after Charles Stewart Parnell's death it is a collection of extracts from his speeches including all of the best known ones There is an unmistakeable political even propagandist dimension to the publication It was written for a nationalist audience and particularly for followers of Parnell Wyse Power explains in her preface that the purpose of her humble memento was to keep the principles which Parnell enunciated before the minds of Irish Nationalists for whom there should be a rule of political faith and conduct She aimed to select such passages as were most characteristic of Parnell of most vital importance for nationalists to study remember and take for guidance This edition includes the original introduction by C S Parnell's sister Anna The book was an immediate bestseller It was easily accessible to a general audience and proved highly influential but it went quickly out of print      The Speeches of Charles Stewart Parnell Charles Stewart Parnell,1990      **Charles Stewart Parnell** Francis Stewart Leland Lyons,1977      **Charles Stewart Parnell; His Love Story and Political Life** Kitty O'Shea,2023-09-22
