Bye For Now:

Goodbye for Now Laurie Frankel, 2012-08-07 In the spirit of ONE DAY comes a fresh and warmhearted love story for the 21st century Sometimes the end is just the beginning Sam Elling works for an internet dating company but he still can't get a date So he creates an algorithm that will match you with your soul mate Sam meets the love of his life a coworker named Meredith but he also gets fired when the company starts losing all their customers to Mr and Ms Right When Meredith's grandmother Livvie dies suddenly Sam uses his ample free time to create a computer program that will allow Meredith to have one last conversation with her grandmother Mining from all her correspondence email Facebook Skype texts Sam constructs a computer simulation of Livvie who can respond to email or video chat just as if she were still alive It's not supernatural it's computer science Meredith loves it and the couple begins to wonder if this is something that could help more people through their grief And thus the company RePose is born The business takes off but for every person who just wants to say good bye there is someone who can't let go In the meantime Sam and Meredith's affection for one another deepens into the kind of love that once tasted you can't live without But what if one of them suddenly had to This entertaining novel delivers a charming and bittersweet romance as well as a lump in the throat exploration of the nature of love loss and life both real and computer simulated Maybe nothing was meant to last forever but then again sometimes love takes on a life of its own

Everything Is Fine Vince Granata, 2022-02-15 Granata was a thousand miles from home when he received shocking news that his younger brother Tim propelled by unchecked schizophrenia had killed their mother in their childhood home Devastated by the grief of losing his mother Granata was also consumed by the act itself so incomprehensible that it overshadows every happy memory of life growing up in a seemingly idyllic middle class family He decides to examine the disease that irrecoverably changed his family's destiny and piece together his brother's story In the painstaking process of recovering the image of his remarkable mother and salvaging the love for his brother as Tim faces trial for their mother's murder Granata provides a powerful and reaffirming portrait of loss and forgiveness adapted from jacket *Plants Thematic Unit* Mary Ellen Sterling, 1995-05 Literature based across the curriculum Cover *Plays* August
