C Y Oconnor His Life And Legacy:

C.Y. O'Connor Anthony G. Evans,2001 Previous writings on Charles Yelverton O Connor the farsighted Irish civil engineer who has become an almost legendary figure in the history of Western Australia have tended to concentrate on the political economic and engineering aspects of his life and work Today his works are revered and his memory honored though whether this enduring interest stems as much from a fascination with the events surrounding his tragic suicide than with a genuine appreciation of his work is debatable In this biography the author seeks to focus more on the man himself the quintessential Victorian brimming with confidence and a belief that the great technical advances of the era together with social reforms would eventually bring harmony and prosperity to all As a man of his age his character can only be understood by understanding the aspirations of the age the ideals and values that shaped his life and ultimately the manner of his untimely death

Kathleen O'Connor of Paris Amanda Curtin,2018-11-01 What does it mean to live a life in pursuit of art In 1906 Kathleen O Connor left conservative Perth where her famous father s life had ended in tragedy She had her sights set on a career in thrilling bohemian Paris More than a century later novelist Amanda Curtin faces her own questions of life and of art as she embarks on a journey in Kate s footsteps Part biography part travel narrative this is the story of an artist in a foreign land who with limited resources and despite the impacts of war and loss worked and exhibited in Paris for over forty years Kate s distinctive figure paintings portraits and still lifes highly prized today form an inseparable part of the telling

A Concise History of Western Australia Russell Earls Davis,2019-07-01 This second edition has been brought up to date following the latest developments in the state The human history of Western Australia as of all Australia stretches back some 60 000 years It is often assumed that European colonisation was very recent relative to the rest of Australia but in fact it was contemporary with the first penal colony in Queensland and while a South Australian settlement was still a gleam in Londons eye Albany was first settled in 1826 and the Swan River settlement later to become Perth in 1829 It was also the first part of Australia to be even seen by Europeans the Portuguese back in the early 1600s The first 60 or 70 years of European settlement were very difficult but when the gold rushes came in the late 1800s WA was set on the path of mineral wealth that still drives its economy today
