**Latin America and the Shifting Sands of Globalization** Sean W. Burges,2016-01-22 Latin America occupies an increasingly prominent position within the global political economic and cultural consciousness with intra regional governance structures and multilateral processes now a key topic of interest to foreign policy and international business circles It has become abundantly clear that outside of Latin America there is a poor understanding of how the shifting sands of regional power are impacting not only on how regional countries fit into the global system but also on how intra regional relations are viewed and managed The contributions to this collection investigate these issues examining how changing global power dynamics are in turn impacting on national foreign policies and regional governance structures The book focuses first and foremost on the Latin American view outwards not the US or European view to the south This book was originally published as a special issue of the Journal of Iberian and Latin American Research
