*The Image in Mind* Charles Taliaferro, Jil Evans, 2013-06-06 A philosophical inquiry into the strengths and weaknesses of theism and naturalism in accounting for the emergence of consciousness the visual imagination and aesthetic values The authors begin by offering an account of modern scientific practice which gives a central place to the visual imagination and aesthetic values They then move to test the explanatory power of naturalism and theism in accounting for consciousness and the very visual imagination and aesthetic values that lie behind and define modern science Taliaferro and Evans argue that evolutionary biology alone is insufficient to account for consciousness the visual imagination and aesthetic values Insofar as naturalism is compelled to go beyond evolutionary biology it does not fare as well as theism in terms of explanatory power

Pictorial History of Mexico and the Mexican War John Frost, 1871

**The Great Cactus War**, 2018 This is the gripping story of Australia's epic battle with the invasive prickly pear cactus that occupied more than 60 million acres of farm and grazing land during the first third of the 20th century At its peak the green menace was spreading at a rate of over one million acres a year and driving thousands of homesteaders off their properties This is also the story about a team of mostly self taught Australian entomologists who discovered that the caterpillar of a tiny moth they discovered in Argentina with the big name of *Cactoblastis cactorum* could destroy the pear outright During a 5 year long period the prickly pear was

destroyed revealing abandoned farms roads even entire villages Following the clearing away of the pear the land was then resettled This nation s tiniest hero may now be poised to create a possible plague of its own in the United States and Mexico This unique 392 page book contains a table of contents 30 colour illustrations a notes and bibliography section plus an index The author has spent over 5 and half years researching this subject     *The Judge* ,1915     **Cactus and Succulent Journal** ,1962     **The History of Mexico and Its Wars** John Frost,1882     The Philistine ,1915     The Official History of Australia in the War of 1914-1918: The Australian imperial force in Sinai and Palestine 1914-1918, by H.S.
