Cadavers Ball:

The Cadaver's Ball Charles Atkins, 2025-10-16 There are times when a trusted friend is so filled with hatred that he will do anything possible to ruin the other Ed Peter and Beth had been friends through medical school At the Cadaver s Ball the somewhat ghoulish named celebration that is the closest thing to a senior prom the hardworking medical students have Ed confidently presents Beth with an engagement ring She reluctantly has to tell him that she has already agreed to marry Peter and Ed s life explodes From then on Ed s main goal is to make Beth realize she made the wrong choice but fate intervenes A car crash takes her life and that of the baby she and Peter had been expecting Peter was the one driving and the accident comes close to wrecking his own life irretrievably Beth s death torches Ed s blazing hatred of Peter and he builds a complex and terrible program to destroy Peter Peter doesn t suspect the cause of his growing difficulties until he becomes a suspect in the death of a patient He must find a way to reclaim his life if it is not already too late In this riveting psychological thriller Charles Atkins demonstrates his rare skill for creating passionate characters with a range of motivations from obsession and vengeance to self preservation *Stiff: The Curious Lives of Human Cadavers* Mary Roach, 2004-04-27 A look inside the world of forensics examines the use of human cadavers in a wide range of endeavors including research into new surgical procedures space exploration and a Tennessee human decay research facility

Practical intestinal surgery. v.2 Byron Robinson, 1891 **Practical Intestinal Surgery** Byron Robinson, 1891 **The Dead Magician** Evelin E. Sullivan, 1988 In this dazzling debut Evelin E Sullivan has written a novel in the form of a literary biography that will permanently color the way we read biographies Charles Butler a smug and slightly comical Professor of English sets out to write the life of novelist Gregory Horace Bodamien his poverty stricken childhood in England his formative years at a Southern university his eventual literary and sexual successes and the grisly crime that brings his career to a halt Interviewing Bodamien in his prison cell Butler learns of Gregory s English father hounded by failure into insanity his strong American mother who kept the family together his older brother Adam a talented but heartless surgeon Elizabeth whom Gregory courts only to lose her to Adam and Lizzy the daughter claimed by both brothers whose untimely end precipitates the final crisis While vividly unfolding this fascinating life Butler indulges in occasional autobiographical digressions brief and apt at first but gradually revealing a tormented soul whose objective account of Bodamien s life must therefore be reconsidered by the reader Yet another account of that life is offered by the manuscript Gregory leaves behind *The Case of the Dead Magician* Begun as a parody of the detective novel the tantalizing fragment shows stylistic incongruities that track the author s attempt to tell his own version of his troubled end In addition to exploring in his story his brother s murder and reinventing the past the novelist also makes outrageous use of his biographer with hilarious and disturbing consequences *Medical jurisprudence, forensic medicine and toxicology v. 2, 1907* Rudolph August Witthaus, 1907 All the Living and the Dead Hayley Campbell, 2022-08-16 A deeply compelling exploration of the death industry and the people morticians detectives crime scene
