Cadre Lucifer:

Cadre Lucifer Robert O'Riordan, 1987 Pol Tyrees one of the Cadre s elite discovers that corruption violence and betrayal run rampant through the Regum and embarks on a rebellious crusade of vengeance against the tyrannical Regum

Lucifer's Hope the Guv James L. Clark, 2002-11-21 Unlike humans Lucifer is ineligible for redemption and therefore doomed to eternal hell Playing on God s sense of fairness Lucifer appeals to the Archangel Michael for a chance to redeem himself by turning a person he corrupted into a paragon of virtue Against his own wishes Michael makes the deal However since moral perfection is impossible for anyone he decrees that Lucifer must attain redemption by seeing that his subject does not break nine of the Ten Commandments politically The agreement is struck and the target of Lucifer s effort will be the corrupt wealthy governor of Kentucky who is gearing up for reelection and is hopelessly paranoid about his opponents Besides engaging in the usual local corruption the Guv worms his way into a deal to bring riverboat gambling to the state Lucifer dispatches an imp disguised as a political consultant to infiltrate the campaign and influence the governor toward political righteousness The imp and the governor s spokeswoman share a romantic attraction which is also resolved in this rollicking metaphysical muckraking of Kentucky politics *Riding Lucifer's Line* Bob Alexander, 2013 The Texas Mexico border is trouble Haphazardly splashing across the meandering Rio Grande into Mexico is or at least can be risky business hazardous to one s health and well being Kirby W Dendy the Chief of Texas Rangers corroborates the sobering reality As their predecessors for over one hundred forty years before them did today s Texas Rangers continue to battle violence and transnational criminals along the Texas Mexico border In *Riding Lucifer s Line* Bob Alexander in his characteristic storytelling style surveys the personal tragedies of twenty five Texas Rangers who made the ultimate sacrifice as they scouted and enforced laws throughout borderland counties adjacent to the Rio Grande The timeframe commences in 1874 with formation of the Frontier Battalion which is when the Texas Rangers were actually institutionalized as a law enforcing entity and concludes with the last known Texas Ranger death along the border in 1921 Alexander also discusses the transition of the Rangers in two introductory sections The Frontier Battalion Era 1874 1901 and The Ranger Force Era 1901 1935 wherein he follows Texas Rangers moving from an epochal narrative of the Old West to more modern technological times Written absent a preprogrammed agenda *Riding Lucifer s Line* is legitimate history Adhering to facts the author is not hesitant to challenge and shatter stale Texas Ranger mythology Likewise Alexander confronts head on many of those critical Texas Ranger histories relying on innuendo and gossip and anecdotal accounts at the expense of sustainable evidence writings often plagued with a deficiency of rational thinking and common sense *Riding Lucifer s Line* is illustrated with sixty remarkable old time photographs Relying heavily on archived Texas Ranger documents the lively text is authenticated with more than one thousand comprehensive endnotes **Canadian Science Fiction and Fantasy** David Ketterer, 1992

Renovating Hell J.E. Serrano,2021-04-21 The Chairman God ordered The Supervisor Lucifer That a large population of the Earth will soon be residing in Hell The chairman gives The supervisor To renovate and modernize Hell despite the chaos that Hell would suffer *Lucifer's Court* Otto Rahn,2008-02-28 Rahn s personal diary from his travels as occult investigator for the Third Reich First English translation of the author s journeys in search of a Nordic equivalent to Mt Sinai Explains why Lucifer the Light Bringer god of the heretics is a positive figure Otto Rahn s lifelong search for the Grail brought him to the attention of the SS leader Himmler who shared his esoteric interests Induced by Himmler to become the chief investigator of the occult for the Nazis Rahn traveled throughout Europe from Spain to Iceland in the mid 1930s pursuing leads to the Grail and other mysteries Lucifer s Court is the travel diary he kept while searching for the ghosts of the pagans and heretics who were his ancestors It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination similar to Apollo and other sun gods in pagan worship This journey was also one of self discovery for Rahn He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith which had been cruelly destroyed in the fires of the Inquisition His journeys on assignment for the Reich including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis
