A. M. Burnett

Caesar Dies:

The Death of Caesar Barry Strauss, 2015-03-03 A professor of history and classics describes the actual events of March 15 44 BC when Julius Caesar was murdered during the Roman civil wars and compares them to those outlined by William Shakespeare in his famous play Publisher's description **Caesar Dies** Talbot Mundy, 2022-09-16 In *Caesar Dies* Talbot Mundy crafts a historical narrative steeped in rich detail and vibrant characterizations situating the reader in the tumultuous era of ancient Rome The novel deftly intertwines elements of adventure and political intrigue exploring themes of loyalty ambition and the moral complexities of power Mundy's narrative style characterized by its evocative descriptions and dynamic pacing reflects the literary traditions of early 20th century adventure fiction while offering a fresh perspective on the ancient world that resonates with contemporary readers Talbot Mundy a British born author with a notable fascination for the East and exotic cultures frequently infused his works with his personal experiences and historical interests His extensive travels in the Middle East and India informed his understanding of diverse societal dynamics which is evident in *Caesar Dies* Mundy's background as a journalist and soldier provides a nuanced authenticity to his storytelling allowing him to portray the intricacies of human nature against the backdrop of grand historical narratives Readers seeking a compelling blend of thrilling adventure and profound philosophical questions will find *Caesar Dies* an engrossing journey Mundy's meticulous research and vivid imagination bring history to life making this novel a must read for aficionados of historical fiction and those intrigued by the moral dilemmas of power in antiquity **The Assassination of Julius Caesar** Michael Parenti, 2004-03-09 Parenti presents a story of popular resistance against entrenched power and wealth As he carefully weighs the evidence in the murder of Caesar he sketches in the background to the crime with fascinating detail about Roman society *The Life and Death of Julius Caesar* William Shakespeare, 2017-08-26 Shakespeare may have written *Julius Caesar* as the first of his plays to be performed at the Globe in 1599 For it he turned to a key event in Roman history Caesar's death at the hands of friends and fellow politicians Renaissance writers disagreed over the assassination seeing Brutus a leading conspirator as either hero or villain Shakespeare's play keeps this debate alive *Caesar Dies* Talbot Mundy, 2015-04-23 it had become treason even to use a coarse expression near their images or statues images were on the coins statues were in the streets Commodus to whom all confiscated property accrued was in ever increasing need of funds to defray the titanic expense of the games that he lavished on Rome and the presents with which he studiously nursed the army's loyalty So it was wise to be taciturn expedient to choose one's friends deliberately not far removed from madness to be seen in company with those whose antecedents might suggest the possibility of a political intrigue But it was also unwise to woo solitude a solitary man might perish by the rack and sword for lack of witnesses if charged with some **Et Tu, Brute?** Greg Woolf, 2007 Then fall Caesar Talking tyrannicide Caesar's murdered heirs Aftershocks *Caesar's Helvetian war, adapted [from De bello Gallico, book 1] by W. Welch and C.G. Duffield* Gaius Julius Caesar, 1887 **A Complete Lexicon of the Latinity of**

Caesar's Gallic War Ernest Gottlieb Sihler,1891 **Latin prose exercises based upon Caesar's Gallic war, with a classification of Caesar's chief phrases, and grammatical notes on Caesar's usages. [With] Key** Clement Bryans,1886 *Latin Prose Exercises Based Upon Caesar's Gallic War* Clement Bryans,1884 **The Analytic Tradition in Philosophy, Volume 1** Scott Soames,2024-11-01 This is the first of five volumes of a definitive history of analytic philosophy from the invention of modern logic in 1879 to the end of the twentieth century Scott Soames a leading philosopher of language and historian of analytic philosophy provides the fullest and most detailed account of the analytic tradition yet published one that is unmatched in its chronological range topics covered and depth of treatment Focusing on the major milestones and distinguishing them from the dead ends Soames gives a seminal account of where the analytic tradition has been and where it appears to be heading Volume 1 examines the initial phase of the analytic tradition through the major contributions of three of its four founding giants Gottlob Frege Bertrand Russell and G E Moore Soames describes and analyzes their work in logic the philosophy of mathematics epistemology metaphysics ethics and the philosophy of language He explains how by about 1920 their efforts had made logic language and mathematics central to philosophy in an unprecedented way But although logic language and mathematics were now seen as powerful tools to attain traditional ends they did not yet define philosophy As volume 1 comes to a close that was all about to change with the advent of the fourth founding giant Ludwig Wittgenstein and the 1922 English publication of his *Tractatus* which ushered in a linguistic turn in philosophy that was to last for decades **The Oligarchic Revolution at Athens of the Year 1032 B.C.** William Scott Ferguson,1904 *Oarses-Zygia* William Smith,1880 **Roman Provincial Coinage: From the death of Caesar to the death of Vitellius (44BC-AD69). Pt. I. Introduction and catalogue. Pt. II. Indexes and plates. Supplement 1** A. M. Burnett,1992 **A Dictionary of Greek and Roman Biography and Mythology** William Smith,1873 *Roman Provincial Coinage: From the death of Caesar to the death of Vitellius (44 BC-AD 69). pt. 1. Introduction and catalogue. pt. 2. Indexes and plates* Andrew M. Burnett,Michel Amandry,Pere Pau Ripollés Alegre,Ian Carradice,Jerome Mairat,Marguerite Spuerri Butcher,Antony Hostein,William E. Metcalf,Laurent Bricault,Maryse Blet-Lemarquand,1992 **From Individual to Plural Agency** Kirk Ludwig,2016-10-06 Kirk Ludwig develops a novel reductive account of plural discourse about collective action and shared intention Part I develops the event analysis of action sentences provides an account of the content of individual intentions and on that basis an analysis of individual intentional action Part II shows how to extend the account to collective action intentional and unintentional and shared intention expressed in sentences with plural subjects On the account developed collective action is a matter of there being multiple agents of an event and it requires no group agents per se Shared intention is a matter of agents in a group each intending that they bring about some end in accordance with a shared plan Thus their participatory intentions their we intentions differ from individual intentions not in their mode but in their content Joint intentional action then is a matter of a group of individuals successfully executing a shared intention The

account does not reduce shared intention to aggregates of individual intentions However it argues that the content of we intentions can be analyzed wholly in terms of concepts already at play in our understanding of individual intentional action The account thus vindicates methodological individualism for plural agency The account is contrasted with other major positions on shared intention and joint action and defended against objections This forms the foundation for a reductive account of the agency of mobs and institutions expressed in grammatically singular action sentences about groups and their intentions in a second volume **Select letters** Marcus Tullius Cicero,1870 *Cicero* Marcus Tullius Cicero,1874
 Julius Caesar by William Shakespeare William Shakespeare,1879
