Byron (6th baron.),1824 Cain Lord Lord Byron,2015-07-19 Cain is a dramatic work by Byron published in 1821 In Cain Byron attempts to dramatize the story of Cain and Abel from Cain s point of view Cain is an example of the literary genre known as closet drama The play commences with Cain refusing to participate in his family s prayer of thanksgiving to God Cain tells his father he has nothing to thank God for because he is fated to die As Cain explains in an early soliloquy he regards his mortality as an unjust punishment for Adam and Eve s transgression in the Garden of Eden an event detailed in the Book of Genesis Cain s anxiety over his mortality is heightened by the fact that he does not know what death is At one point in Act I he recalls keeping watch at night for the arrival of death which he imagines to be an anthropomorphic entity The character who supplies Cain with knowledge of death is Lucifer *Cain; a mystery. By the author of Don Juan [i.e. Lord Byron].* ,1822

Cain Adolf Holtermann,2014-08-07 This Is A New Release Of The Original 1869 Edition Cain Fabre D'Olivet,Louise Redfield Nayan,2007-11 Antoine Fabre d Olivet December 8 1767 March 25 1825 was a French author poet and composer whose biblical and philosophical hermeneutics influenced many occultists such as Eliphas Lvi and Gerard Encausse Papus and Ren Guon D Olivet spent his life pursuing the esoteric wisdom concealed in the Hebrew scriptures Greek philosophy and the symbolism of many ancient cultures as far back as ancient India Persia and Egypt His writings are considered classics of the Hermetic tradition His best known works today are his research on the Hebrew language The Hebraic Tongue Restored his translation and interpretation of the writings of Pythagoras The Golden Verses of Pythagoras and his writings on the sacred art of music In addition to the above works Hermetica has published in consistent facsimile format for its Collected Works of Fabre d Olivet series The Healing of Rodolphe Grivel as well as Hermeneutic Interpretation of the Origin of the Social State of Man and the Destiny of the Adamic Race D Olivet s mastery of many ancient languages and their literatures enabled him to write in the time of Napoleon this latter work which remains a landmark investigation of the deeper esoteric undercurrents at work in the history of culture The Mosaic cosmogony of Fabre d Olivet is derived in its entirety from the Sepher of Moses and one should have read his translation of the Bereshith to comprehend how the esoteric ideas of the Egyptians upon the creation differ from the simple narratives of the exoteric translators of Moses and are instead writings containing the chronicle of the human soul its origin phases of involution and evolution and the means whereby it may

ultimately regain its origin From Translator s Foreword Cain and Abel are the two primordial forces of elementary nature These are the first two cosmogonic beings produced by Eve when after a certain movement toward elementary nature she has lost her name of Aisha which designated the intellectual nature of Adam to take that of Eve which expresses no more than the material life of this universal being From author s letter to Lord Byron **Cain** Adolf Holtermann,2015-07-01

Excerpt from Cain A Mystery by Lord Byron Critically Examined Every man in every climate of the globe grows up amongst certain forms of worship or religious rites to which his nation tribe or kinsmen expect him to submit and he will submit as long as he finds in those symbols a fit expression for his own thoughts and sentiments or as long as custom and habit exercise over him an all powerful sway But that spirit who made the symbols and forms of worship will not be identified with what he has made As the mind of man grows the symbols and forms must change or idolatry and spiritual death will follow God never ceases to put to every man the question Doest thou worship me the Creator and Maker of all things or that which I have made the creature Doest thou worship the symbol or that which the symbol represents And accordingly as a man answers this question he will take his position with regard to all worship customary and traditional But not every man hears that great question put to him or if he hears it lays it to heart Most men living without intercourse with the spiritual world accept for the sake of ease and comfort the teachings and interpretations of their fellow men and in their sensual ways make an outcry against any one who dares to think and to disparage what sensual worship must deem most sacred the form About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Cain, a Mystery by Lord Byron** Heinrich Schirmacher,George Gordon Byron Baron Byron,1863
