Cains Craft:

James M. Cain David Madden, Kristopher Mechsolsky, 2011-04-28 James M Cain wrote some of the grittiest novels in American literature including such classics as *The Postman Always Rings Twice*, *Double Indemnity* and *Mildred Pierce*. James M Cain *Hard Boiled* Mythmaker is a critical overview of the author's life work and legacy. An updated and expanded edition of two of David Madden's scholarly works on Cain, this new book improves upon the previous works by collecting the most essential writing on Cain by Madden into one volume. In addition to melding existing material, this work contains updated and new material including fresh commentaries on later books such as *Rainbow's End*, *Cloud Nine* and *The Enchanted Isle* as well as later film adaptations including *Butterfly*. It also responds to 40 years worth of criticism on Cain and reevaluates his influence. Providing an overview of all of Cain's fiction including an analysis of the major themes of his entire literary career, the book also describes Cain's impact on and importance in 20th century culture, film in particular. In addition to a biographical summary and thematic outline of Cain's nearly 50 year career, Madden and Mecholsky examine how Cain's works explore the nightmare consequences of the persistent American dream. Finally, Madden and Mecholsky consider Cain's technical innovations of the novel and survey the major film adaptations of Cain's novels. With its significant in-depth analysis and a foreword by Edgar award-winning author Max Allan Collins, this volume will be of interest to Cain scholars as well as anyone interested in 20th century American literature and film.

Cain's Craft David Madden, 1985 Analyzes the master of the hard-boiled novel. Cain Roy Hoopes, 1987 I never knew a writer who regarded writing as anything but a refined form of crucifixion. James M Cain. Although Cain was formerly dismissed as merely a hardboiled writer, his finest works *The Postman Always Rings Twice*, *Mildred Pierce* and *Double Indemnity* are now considered enduring classics of American literature. In this book Roy Hoopes gives as full a picture of the man and his life as will ever be written. The work was awarded an Edgar by the Mystery Writers of America.

Cain's Christopher Routledge, 2008 The story of Cain's like the story of Liverpool is one of passion, ambition and graft. It takes in immigration, global trade, terrible poverty and vast wealth. In just two generations the Cain family went from the slums of Irish Liverpool to a seat in the House of Lords. As the city grew so did the brewery and as the city struggled so Cain's fought for survival. At the height of Liverpool's fortunes Robert Cain owned 200 public houses across Merseyside including the world famous Philharmonic Dining Rooms. The Phil which he built. City and brewery have shared the highs and lows of recent Liverpool history and the remarkable revival of Cain's by another immigrant family, the Dusanjs in the twenty-first century is matched by the city's own recovery and reinvention. Here then is the story of Liverpool in a pint.
