## CLR James His Life And Work:

C.L.R. James Paul Buhle,1986      CLR James John L. Williams,2022-03-17 Historian revolutionary and cricket writer CLR James was one of the truly radical voices of the twentieth century Born in Trinidad in the final days of the Victorian era he debated with Trotsky played cricket with Constantine was published by Leonard and Virginia Woolf inspired Kwame Nkrumah and was a profound influence on the British Black Power movement And yet by the late 1970s CLR James was all but forgotten The books he had written over the past half century were nearly all out of print There were a few circles in which his name rang a bell serious students of Black history obsessive cricket fans But that was it When he died in Brixton in 1989 CLR James was internationally famous lauded as the greatest of Black British intellectuals the Black Plato according to The Times The ideas he put forward in his own time of the importance of identity alongside class of rebellion coming from below of the leading roles of Black people women and youth in political struggle have gradually made their way to the forefront of our political thinking His two great books The Black Jacobins and Beyond a Boundary still have the power to change readers understanding of the world today But while CLR James s work has been much examined his long and remarkable life story has often been overlooked For the first time in a biography full of original research human drama and keen insight John L Williams unveils the rich and compelling story of an intellectual giant In doing so he firmly establishes the importance of CLR James for the twenty first century if Black Britain has had a presiding genius it remains CLR James

C.L.R. James Kent Worcester,1996-01-01 A fascinating immensely readable biography of one of the most important radical intellectuals of the twentieth century      The C.L.R. James Reader Cyril Lionel Robert James,1992      CLR James Paul Buhle,1981 George P Landow presents information about C L R James whose full name was Cyril Lionel Robert James 1901 1989 James was a West Indian revolutionary and a Marxist interpreter of colonialism Biographies of James are included as well as a bibliography of his publications and links to related Web sites      C.L.R. James Paul Buhle,1986      **CLR James** Dave Renton,2013-10-31 Books about CLR James abound but this is a particularly good one It s lucidly written full of narrative interest and explores areas of the great Caribbean man s life and struggles that have rarely been a point of focus Chris Searle The Morning Star Known as The Cricketing Marxist Cyril Lionel Robert James 1901 89 was one of the leading black intellectuals of the 20th century a Marxist theorist of the first rank and also one of the finest writers on cricket with his legendary book Beyond a Boundary This seeming paradox is reflected in other areas of his life and work the product of a British style education and fanatical cricketer who never abandoned the values the sport inculcated in him he was a Trotskyite expelled from the USA during the McCarthy era who was a friend and inspiration to a generation of leaders of newly independent African countries such as Kwame Nkrumah of Ghana and Julius Nyrere of Tanzania Described in his lifetime as the black Hegel and the black Plato his book on the 18th century slave revolt in Haiti The Black Jacobins is one of the great historical works of the 20th century yet he was never comfortable with the idea of Black Studies In this fascinating

new study of this seminal thinker Dave Renton hopes to persuade Marxists of the joys of cricket and followers of cricket of the calibre of James and of James Marxism You Don't Play with Revolution Cyril Lionel Robert James, 2009 Collects seven never before published lectures by the famed Marxist cultural critic delivered during his stay in Montreal in 1967-68 Ranging on topics from Marx and Lenin to Shakespeare Rousseau Caribbean history and the Haitian revolution these lectures demonstrate the staggering breadth and clarity of James knowledge This is a welcome addition to the lack of material available on James during this period and an insightful and engaging introduction to his work for new readers Includes two seminal interviews and a series of letters *C.L.R. James* Joan Nordquist, 2001 Each bibliography includes a comprehensive list of the theorist's works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of Essay and General Literature and dissertations are included References are provided from a wide variety of disciplines and bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally taking place in alternative and left journals journals always included in the literature search in the compiling of the bibliographies **Territories of the Soul** Nadia

Ellis, 2015-08-27 Nadia Ellis attends to African diasporic belonging as it comes into being through black expressive culture Living in the diaspora Ellis asserts means existing between claims to land and imaginative flights unmoored from the earth that is to live within the territories of the soul Drawing on the work of Jose Mu oz Ellis connects queerness utopian potential with diasporic aesthetics Occupying the territory of the soul being neither here nor there creates in diasporic subjects feelings of loss desire and a sensation of a pull from elsewhere Ellis locates these phenomena in the works of C L R James the testy encounter between George Lamming and James Baldwin at the 1956 Congress of Negro Artists and Writers in Paris the elusiveness of the queer diasporic subject in Andrew Salkey's novel *Escape to an Autumn Pavement* and the trope of spirit possession in Nathaniel Mackey's writing and Burning Spear's reggae Ellis use of queer and affect theory shows how geographies claim diasporic subjects in ways that nationalist or masculinist tropes can never fully capture Diaspora Ellis concludes is best understood as a mode of feeling and belonging one fundamentally shaped by the experience of loss
