Perfect for professionals curious about the potential and pitfalls associated with generative artificial intelligence. *Artificial Intelligence All in One For Dummies* shows you exactly how AI works and how you can apply it in your own professional and personal life.

SUCCEED AGENDRA RANA, 2023-09-30. Success is an excellent acquired quality of a person to sustain a strong spirit which can willfully overpower the dictums of mind. Even if a person possesses good physical strength, treasures of wealth, and other resources, recognition among prominent personalities, but lack of self confidence fails to provide the desired success. Every person belonging to any age, religion, or caste has an earnest desire to seek the achievements of the topmost level to command respect in the society. Perfection in any task is difficult but it requires prolonged efforts. Winning isn't about finishing in first place. It isn't about beating the others. It is about overcoming yourself, overcoming your body, your limitations, and your fears. Winning means surpassing yourself and turning your dreams into reality. Success hugs you in private but failure slaps you in public. Better learn and determine to succeed in life.

Born-Digital Texts in the English Language Classroom Saskia Kersten, Christian Ludwig, 2024-06-11. This book is the first to focus specifically on born digital texts in EFL teaching, uniting international and innovative scholarship with practical classroom applications. The book develops a theoretically sound framework for curriculum materials and methods design that

takes into account the growing ubiquity of born digital texts in the digital age It covers a broad variety of born digital text types including those generated by AI which so far have not been an explicit focus in the context of language teaching while also providing a grounding in current discussions around digital tools in education The chapters cover a wide range of issues from methodological approaches to born digital texts to curriculum syllabus and materials design The book will be a valuable introduction to the subject for trainee and practising teachers as well as teacher educators and students on EFL courses Chapter 7 is free to download as an open access publication under a CC BY licence and is available here <https://zenodo.org/records/11174197>
