Intelligence Joseph Vukov,2024-06-20 AI poses a real and present danger It contains the capacity to amplify social problems drive a wedge further into our already polarized society and sow seeds of distrust in communities and personal relationships When approached without a robust sense of human dignity AI also threatens to undermine our self understanding To a degree beyond any previous technology AI can make us forget ourselves In this new era of AI we must consciously make a choice to stay human In this book I provide a map and the tools for doing just that From the author Joseph Vukov

Educational Implications of Artistic Practice Luis S. Villacañas-de-Castro, Miguel Corella-Lacasa, 2025-09-26 This collection draws on a range of frameworks from the fields of aesthetics philosophy and political theory to discuss how art has been characterized across the humanities It derives consequences for educational institutions pedagogy and teachers of specific curricular areas The book addresses issues such as how art has been defined what its affordances are for educators whether artistic practice is an intrinsically educational process whether museums and galleries are educational institutions and conversely whether schools may also qualify as artistic laboratories Through these and more questions the book approaches the education art nexus from both sides of the relationship with chapters that either look at education through art or at art through education The contributors belong to education aesthetic and arts university departments and report on a variety of interdisciplinary research projects As a result the volume provides both theoretical insights into the distinct means and purposes of art and lively illustrations of the affordances that art holds for educators in different institutions and contexts Although rooted for the most part in the Spanish speaking world the volume embraces a glocal perspective whereby contemporary tendencies and discussions are embodied and transmitted through rich and textured qualitative case studies
