Feminist Studies Hemangini Gupta, Kelly Sharron, Carly Thomsen, Abraham

Weil, 2025-06-02 **Feminist Studies An Introductory Reader** offers a unique approach to teaching and learning feminist thought. Crafted with the movement and translation of ideas in mind, this book is broken into four sections: Feminist Epistemologies, Feminist Ontologies, Feminist Orientations, and Resistance. Each chapter includes two well-known classic texts that commonly appear in Feminist Studies classes, as well as two new texts written by scholars who engage critique and extend those ideas in their work. In addition, the book is accompanied by a companion website which includes discussion questions, assignment ideas, lesson plans, and other materials useful for classroom instruction. **Feminist Studies An Introductory Reader** is designed for those new to feminism, as well as more seasoned feminist thinkers. It is an ideal resource for students in introductory and advanced feminist theory courses, as well as those interested in social scientific and humanistic inquiry more broadly. **The**

Innovation Navigator Tucker J. Marion, Sebastian Fixson, 2025-10-28 **The Innovation Navigator** returns with a revised edition and a fresh look at the shifting landscape of modern innovation. With the rise of artificial intelligence, digital design, and collaborative platforms, organizations face new opportunities and challenges in managing their innovation processes. Renowned entrepreneurial academics Tucker Marion and Sebastian Fixson present a comprehensive update to their groundbreaking guide, including new chapters on AI's role in enhancing creativity, decision making, and product development; new metrics for managing innovation; and thoughts on employee skill development. The second edition of **The Innovation Navigator** also features updated and illustrative case studies of companies such as Microsoft, Ford, Merck, and OpenAI. This updated edition provides practical frameworks for applying AI across the original four key innovation modes: specialist, venture, community, and network, and offers insights on adopting multimodal strategies to stay ahead in today's competitive environment. Whether you're a corporate leader or a novice entrepreneur, this book will equip you with the tools to navigate the challenges of AI-driven digital transformation and seize new opportunities in a powerfully evolving market. **Strategic**

Planning for Public Relations Deborah A. Silverman, Ronald D. Smith, 2024-03-14 The seventh edition of **Strategic Planning for Public Relations** maintains its status as a leading text to guide students in developing successful public relations campaigns. Deborah Silverman and Ronald Smith bring their experience as instructors and public relations professionals to the book, providing clear step-by-step guidance on how to plan and implement strategic communications campaigns. This new edition includes diverse examples of current cases along with classic cases that stand the test of time. It includes new Ethics Minutes scenarios in each step, a new research step, and examples of award-winning public relations campaigns. It also significantly increases information on social media and features a reformatting of the tactics step into four separate parts based on the PESO model: paid media, earned media, shared media, and owned media. As a leader in teaching public relations strategy, this text is ideal for students in upper division undergraduate and graduate courses in public relations strategy and campaigns. Complementing the book are online resources for both students and instructors. For students: step overviews, useful links to professional organizations, and resources; checklists for the ten steps in the planning process; and two sample
