**Academic Honor Enforcement** Talia Mercer, AI, 2025-04-07 Academic Honor Enforcement examines the crucial role of law schools in upholding ethical standards within the legal profession by rigorously enforcing academic integrity. It delves into the mechanisms used to combat academic dishonesty such as plagiarism detection and disciplinary boards. The book highlights the importance of maintaining high ethical standards in legal education especially given the increasing ease of plagiarism in the digital age. Consistent and transparent enforcement of honor codes the book argues is essential for cultivating a culture of integrity among future lawyers. This academic work uniquely combines empirical data case studies of disciplinary proceedings and comparative analysis of honor codes to provide practical recommendations for improving academic integrity policies. It explores the effectiveness of anti plagiarism software and analyzes the fairness and due process of disciplinary boards in law schools. The book progresses through key sections introducing core concepts of academic integrity analyzing plagiarism detection methods assessing consequences for academic dishonesty examining disciplinary board procedures and discussing strategies for enhancing academic integrity. The book scrutinizes the challenges faced by law schools in maintaining academic integrity and emphasizes the importance of balancing punitive measures with educational interventions. Readers gain insights into ongoing debates about technology's role in plagiarism detection and the severity of penalties for academic misconduct. It serves as a resource for law school administrators faculty and students interested in promoting ethical standards and addressing academic misconduct within legal education. *AI in Literary Education and Language Learning* Asrifan, Andi, 2025-07-31 Artificial intelligence AI is transforming the ways we teach learn and engage with language and literature opening new possibilities for personalized learning creative exploration and cross cultural communication. As AI becomes more integrated into educational environments it raises urgent questions about authorship interpretation and the role of human agency in traditionally subjective fields. These shifts demand careful consideration of ethical implications and the development of thoughtful practices that ensure that technological adoption supports rather than undermines human centered learning. The intersection of AI with literary and language education challenges educators and institutions to rethink pedagogy in ways that are both innovative and inclusive. *AI in Literary Education and Language Learning* explores how AI tools are reshaping both the practice and pedagogy of literature and language education. It addresses the challenges and ethical dilemmas that come with the increasing reliance on machine intelligence in domains traditionally rooted in human creativity and subjectivity.
