The Three C's: Communication, Customer Service, & Chatbots I. Edmondson, 2024-01-05 The world that our forefathers knew no longer exists, and the world in which most of us grew up is no longer here either. Science has taken us into a new world in which humans and their activities are now augmented by robots that can perform many of the functions that were previously believed to be only possible for humans to perform. The total impact of these changes is as yet unknown, but we do know that every facet of human existence has been and will continue to be impacted. There are many who fear for the future of mankind, while others see possibilities for changes that will improve all facets of our lives. The one thing we do know: life will never be the same again.

Trends in State Courts 2019 Charles Campbell, John Holtzclaw, 2019-06-26 Trends in State Courts is an annual peer-reviewed publication that highlights innovative practices in critical areas that are of interest to courts and often serves as a guide for developing new initiatives and programs and supporting policy decisions. This year's Trends looks at how the Massachusetts Community Justice Project uses Sequential Intercept Mapping to confront the state's opioid abuse crisis, the importance of courts investing in human capital, the role of technology in promoting the rule of law and increasing access to justice.

Social Media Strategy Keith A. Quesenberry, 2020-08-14 This book is a blueprint for the practice of marketing, communications, advertising, and public relations in a digital world where the consumer has taken control.
