Screen Time Lila Santoro, AI, 2025-03-12 *Screen Time* explores the growing concern of excessive digital device usage and its impact on our lives. It examines how our brains respond to screens activating reward pathways similarly to addictive substances and highlights the societal pressures that fuel constant connectivity. This book provides a comprehensive look into the psychology of screen addiction, offering readers insights into how technology habits can affect mental health, sleep, and overall well-being. The approach of *Screen Time* is unique, blending scientific research with practical self-help strategies. It doesn't just point out the problem; it empowers individuals to take control. The book progresses by first defining screen addiction, then delving into the neurobiology behind it, and finally offering actionable steps to manage screen time, create screen-free zones, and find alternative activities. The book offers valuable guidance for individuals and families looking to manage their technology habits and cultivate a healthier relationship with digital devices. By understanding both the addictive behaviors and the societal influences at play, readers can implement practical strategies to improve their mental health and reclaim their time.

Weekly Planner Gabriel Barnes, AI, 2025-03-04 *Weekly Planner* provides a practical guide to mastering your schedule, reducing stress, and achieving your goals through effective time management. This book emphasizes mindful planning and iterative adjustment, moving beyond simple task lists to address the psychological factors impacting productivity. By understanding how procrastination and feeling overwhelmed affect your ability to plan, you can create a weekly schedule that aligns with your natural tendencies. The book introduces core concepts like prioritization and time blocking, then guides you through creating a personalized weekly planning system. Discover how the Eisenhower Matrix can help prioritize tasks, learn techniques to overcome procrastination, and track your progress for continuous improvement. Unlike rigid one-size-fits-all solutions, this book encourages experimentation and refinement, ensuring your plan evolves with your needs. Drawing from business management and self-help principles, *Weekly Planner* helps you build a roadmap for your goals. Starting with the basics of scheduling and prioritization, the book progresses to strategies for goal setting and stress reduction, culminating in a comprehensive guide for creating a personalized and adaptable weekly planner. This approach ensures that your actions align with your long-term vision, leading to increased productivity and a greater sense of control.
