Updated Ai Email Assistant Ideas For Men:

These Strange New Minds Christopher Summerfield, 2025-03-11 An insider look at the Large Language Models LLMs that are revolutionizing our relationship to technology exploring their surprising history what they can and should do for us today and where they will go in the future from an AI pioneer and neuroscientist In this accessible up to date and authoritative examination of the world's most radical technology neuroscientist and AI researcher Christopher Summerfield explores what it really takes to build a brain from scratch We have entered a world in which disarmingly human like chatbots such as ChatGPT Claude and Bard appear to be able to talk and reason like us and are beginning to transform everything we do But can AI think know and understand What are its values Whose biases is it perpetuating Can it lie and if so could we tell Does their arrival threaten our very existence *These Strange New Minds* charts the evolution of intelligent talking machines and provides us with the tools to understand how they work and how we can use them Ultimately armed with an understanding of AI's mysterious inner workings we can begin to grapple with the existential question of our age have we written ourselves out of history or is a technological utopia ahead

The Long Game: Sustaining a Successful Career in Teaching Peter Foster, 2024-12-31 Why do some teachers stay in teaching And why do others leave Why do some enjoy it whilst others find it an unrelenting slog Answers to these questions are elusive but vital for new teachers school leaders and everyone in between Using research from wide ranging fields and experience from real teachers *The Long Game* examines how teachers can sustain and enjoy successful careers in teaching Divided into five parts the book explores the persistent challenges of being a teacher by breaking them down into problems and solutions The chapters unpack the factors that get in the way of our success or enjoyment of teaching and considers the different ways these problems can be tackled addressing key concerns including How to maintain motivation as you juggle work and life How to manage intensity in a non stop job How to embed effective long lasting habits to save time and mental effort How to reduce workload not just manage it How to teach successfully and have impact in a way that lasts Teaching isn't like a game because it is frivolous or simple But it is an infinitely layered problem we can spend our careers trying to solve To sustain a successful and enjoyable career in teaching we need to embed strategies and approaches that will minimise the challenges and maximise our enjoyment *The Long Game* will help teachers to hold onto the joy in teaching by facing the challenges head on
