**American Indian Literature** Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apsess to the Pulitzer Prize winning novel *House Made of Dawn* by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it

*A birthday present* Gleb Karpinsky, 2025-09-24 This is the true story of a couple who were forced to break up at a young age due to lack of money and inexperience in sexual relations Each of the former spouses has their own destiny In search of happiness she leaves for Spain trying to integrate into the environment In desperation he leaves for a remote village hoping in vain that he can earn a lot of money there In 15 years they will meet on her fortieth birthday But what would he give her And will they be together later

**Reading for Justice** Ashley S. Boyd, Janine J. Darragh, 2023-03-27 This book illustrates how middle level English language arts teachers can draw upon young adult literature to facilitate students understanding of issues of oppression and allow them opportunities for social action Each chapter centers on one novel that represents a contemporary topic including the refugee crisis Indigenous rights trauma and bullying In each authors provide pre during and after reading strategies for teaching that connect the social issues in the texts to students lives and to the world around them Research writing and digital literacies are emphasized throughout Authors also include topics for teaching at the intersections of the focal topic with other areas of social justice Finally they provide a multitude of avenues for student action emphasizing the need to move readers from understanding and awareness to asserting their own agency and capacities to effect change in their local national and global communities Additional resources are also included as extensions such as documentaries young adult literature companions for study connected music and supplementary lesson plans

Jennifer Morrison Willow G Mullins Anne Pryor Todd Richardson and Claire Schmidt The weather governs our lives It fills gaps in conversations determines our dress and influences our architecture No matter how much our lives may have moved indoors no matter how much we may rely on technology we still monitor the weather Wait Five Minutes Weatherlore in the Twenty First Century draws from folkloric literary and scientific theory to offer up new ways of thinking about this most ancient of phenomena Weatherlore is a concept that describes the folk beliefs and traditions about the weather that are passed down casually among groups of people Weatherlore can be predictive such as the belief that more black than brown fuzz on a woolly bear caterpillar signals a harsh winter It can be the familiar commentary that eases daily social interactions such as asking Is it hot or cold enough for you Other times it is simply ubiquitous If you don t like the weather wait five minutes and it will change From detailing personal experiences at picnics and suburban lawns to critically analyzing storm stories novels and flood legends contributors offer engaging multidisciplinary perspectives on weatherlore As we move further into the twenty first century an increasing awareness of climate change and its impacts on daily life calls for a folkloristic reckoning with the weather and a rising need to examine vernacular understandings of weather and climate Weatherlore helps us understand and shape global political conversations about climate change and biopolitics at the same time that it influences individual group and regional lives and identities We use weather and thus its folklore to make meaning of ourselves our groups and quite literally our world

**COVID-19 Conspiracy Theories** John Bodner, Wendy Welch, Ian Brodie, 2020-11-09 As the novel coronavirus Covid 19 spread around the world so did theories stories and conspiracy beliefs about it These theories infected communities from the halls of Congress to Facebook groups spreading quickly in newspapers on various social media and between friends They spurred debate about the origins treatment options and responses to the virus creating distrust towards public health workers and suspicion of vaccines This book examines the most popular Covid 19 theories connecting current conspiracy beliefs to long standing fears and urban legends By examining the vehicles and mechanisms of Covid 19 conspiracy readers can better understand how theories spread and how to respond to misinformation
