Breaking Into New Hollywood The Los Angeles Times, 2025-08-12 For the millions seeking to pursue their Hollywood dreams this is the definitive guide to breaking into the entertainment industry that explores and demystifies dozens of careers from acting to post production and also takes into account changes brought by the rise of streaming and AI Everyone loves a captivating Hollywood rags to riches story Take Charlize Theron who was on her last paycheck and in a heated discussion with a bank teller when a kind stranger who happened to be a talent agent stepped in to help her cash an out of town check Or consider Rosario Dawson discovered right on her front porch by filmmakers looking for fresh talent for Kids And then there s Leonardo DiCaprio the son of a secretary and a writer and distributor of underground comics who saw acting as a way out of poverty But that s not how it usually happens for the tens of thousands of people who work in the entertainment industry For many just starting out and even those already in the business the road can feel mysterious and overwhelming From actors and directors to behind the scenes heroes like managers grips and sound designers Breaking into the New Hollywood is here to uncover the many opportunities for newcomers hustling in what the Los Angeles Times calls the company town and beyond This practical guide offers invaluable insights on navigating the industry today How has working in film changed in the age of streaming What does CGI mean for special effects Even with the rapid rise of YouTubers and social media stars raking in millions of views and competing for traditional movie theater audiences there are still more job opportunities than ever for those eager to start a career in film and TV Breaking into the New Hollywood is an up to date roadmap for aspiring stars wanting to make a living in front of the camera but it s also for those passionate about being part of the collaborative creative community like no other

Diversifying the Space of Podcasting Tegan R. Bratcher, Alexis Romero Walker, 2024-12-15 As the podcast studies field continues to gain momentum both within academia and in practice scholars have been mapping and exploring the podcasting landscape from a variety of perspectives This

edited volume highlights the diverse spaces that podcasts embody and create amplifying the unique and understudied perspectives and voices of podcasting Through a multitude of interdisciplinary approaches contributors explore the various cultural racial and identity based markers undergirding the richness of the platform and argue that by understanding diverse content and content creators we enrich the field of podcast studies as a whole Scholars of media communication cultural podcast and critical race studies among others will find this book to be particularly useful **The New Routledge**

Companion to Science Fiction Mark Bould, Andrew M. Butler, Sherryl Vint, 2024-06-13 The New Routledge Companion to Science Fiction provides an overview of the study of science fiction across multiple academic fields It offers a new conceptualisation of the field today marking the significant changes that have taken place in sf studies over the past 15 years Building on the pioneering research in the first edition the collection reorganises historical coverage of the genre to emphasise new geographical areas of cultural production and the growing importance of media beyond print It also updates and expands the range of frameworks that are relevant to the study of science fiction The periodisation has been reframed to include new chapters focusing on science fiction produced outside the Anglophone context including South Asian Latin American Chinese and African diasporic science fiction The contributors use both well established critical and theoretical approaches and embrace a range of new ones including biopolitics climate crisis critical ethnic studies disability studies energy humanities game studies medical humanities new materialisms and sonic studies This book is an invaluable resource for students and established scholars seeking to understand the vast range of engagements with science fiction in scholarship today Chapter 39 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **The Actual Jesus**

Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels *Planning Local*
