The Publishers' Circular and Booksellers' Record,1917 *Publishers' Circular and Booksellers' Record of British and Foreign Literature*,1917 *The Publisher*,1917 **Beatitudes, Not Platitudes** Paul Louis Metzger,2018-03-22

Beatitudes Not Platitudes shows that the Beatitudes are not overused well worn answers to the question What would Jesus do Rather they are undervalued and hardly touched claims that transform our destinies More than spiritual nuggets for personal devotion practical advice or propositions to be believed the Beatitudes in Matthew 5 envision and entail a reorientation of the good life in view of Jesus kingdom Jesus teachings reveal to us that living our best purpose driven life now involves dying to self and the world system and dying for our enemies Ideal for group study this series of meditations on each of the Beatitudes followed by cultural reflections and study questions helps to bridge the gaps between personal devotion and societal revolution the academic and the practical the ancient and the contemporary All of us want to be happy to be well and blessed and esteemed with honor However we look for happiness wellness blessing and honor in different places and with mixed results This book helps us reimagine the good life by taking a fresh look at the Beatitudes as citizens of Jesus ever new kingdom order

Adult Leader,1928 *Gospel Herald*,1926 *The Walk of the Cross* Robert Makrush,2020-01-14

The Walk of the Cross is a Lenten study designed to help Christians search their hearts and souls as well as rededicate themselves to be faithful Disciples of Christ It is a daily devotional which examines fundamental Biblical beliefs in context with several scriptures each day Daily readings are followed by questions for reflection and journaling Jesus used this method of rabbinic teaching when he asked questions of His disciples such as Who do you say believe I am Why do you call me good or To what shall I compare the Kingdom of God Journaling scripture reading and Spirit led prayers form the foundation of this personal study as we consider what we really believe concerning issues such as God s calling grace salvation sanctification and regeneration The process allows the Holy Spirit to confront false beliefs as well as alleviate areas

of doubt in our faith As for those that may be asking what difference it makes how one believes professionals have long known that our beliefs especially those concerning morals ethics and religion control how we think feel and behave Our beliefs do this by coming together to form attitudes and prejudices concerning who we are and the world around us Because our belief systems work with a high degree of automation they can be easily influenced and even corrupted by the culture of the world Therefore we should always actively consider what and how we believe under the guidance of the Spirit Christians have traditionally used the forty days prior to Easter known as Lent as a time to rededicate ourselves to the imitation of Christ Some of us abstain from pleasurable things such as chocolate or TV in an attempt to purify ourselves from worldly desires Others prefer to add some additional religious aspect to our lives like a Lenten devotional additional prayer time or some worthy church social function Whether we abstain or add there is a conscious effort to revive our Christian discipleship by identifying with Christ s teaching and journey of passion for our salvation Doing these activities in small groups makes this also a time to renew fellowship within church *Continent* ,1912
