Dain Curse:

The Dain Curse Dashiell Hammett, 2011-02-23 From one of the great pioneers of detective stories a classic novel reissued with a new introduction by Amor Towles When eight diamonds are stolen from a prominent San Francisco family the Continental Op is called in to investigate But the missing jewels aren't the only thing out of the ordinary The man who reported the burglary ends up dead ostensibly a suicide His daughter one of the suspects Miss Gabrielle Dain Leggett has a penchant for morphine and religious cults She also has an unfortunate effect on the people around her they have a habit of dying Might Gabrielle be the victim of an arcane family curse Or is the truth about her stranger and even more dangerous The Dain Curse is one of the Continental Op's most bizarre cases and a tautly crafted masterpiece of suspense **The Dain Curse** Dashiell Hammett, 2021-08-31 In *The Dain Curse* Dashiell Hammett masterfully intertwines crime and psychological drama showcasing his characteristic hard-boiled narrative style that revolutionized detective fiction The novel unfolds through the eyes of a troubled private investigator who becomes embroiled in a series of shocking murders tied to a wealthy family haunted by an alleged curse Hammett's keen attention to detail paints a gritty portrait of early 20th century America while his sharp dialogue and sophisticated plotting engage readers in a dangerous game of deception and intrigue The novel is emblematic of the post World War I disillusionment encapsulating societal anxieties and moral ambiguities inherent in urban life Dashiell Hammett's own experiences as a Pinkerton detective deeply influenced his writing offering him unique insights into the criminal underbelly of society His personal encounters with law enforcement as well as the societal shifts of his time fuel a narrative that is both captivating and reflective of the era's complexities Straddling the line between realism and fiction Hammett's works explore the darker facets of human nature while remaining grounded in authentic observation *The Dain Curse* is highly recommended for readers eager to delve into the foundations of modern detective literature It is not only a thrilling mystery but a profound exploration of the psychological depths of its characters For anyone interested in the evolution of the genre or the societal issues of the 1920s this novel is an essential read that will leave a lasting impression

The Dain Curse Samuel Dashiell Hammett, 1930 ***The Dain Curse*** Dashiell Hammett, 1975 *The Dain Curse* Dashiell Hammett, 1929 *The Dain Curse* Dashiell Hammett, 2025-01-01T09:01:00Z A diamond glinting in the grass outside the Leggetts front door gives the first clue to a burglary and sets our narrator on the trail of a shadowy mastermind whose plans always seem one step ahead But whether he's having to deal with explosions cults car chases or even the titular Dain family curse our hard-boiled private detective remains calm and collected while inching closer to the truth The unnamed narrator of *The Dain Curse* known these days by the nickname of the Continental Op is a detective who found his genesis among the pages of *Black Mask* magazine in 1923 This publication from 1929 is a collection of four previously serialized interlinked short stories and followed *Red Harvest* in a busy year for Dashiell Hammett This book is part of the Standard Ebooks project which produces free public domain ebooks *The Dain Curse, The Glass Key, and Selected Stories* Dashiell

Hammett,2007-09-04 One of the most popular American writers of the twentieth century Dashiell Hammett gave us crime fiction stripped down to its most subtle and searing essentials and at the same time elevated to literature The diamond sharp prose and artfully manipulated intrigue for which he is known are on full display in the four classic short stories and two riveting novels published here in one volume The Continental Op Hammett s anonymous antihero was the indelible prototype for generations of tough guy detectives Single minded emotionally detached and decidedly unglamorous he narrates the four linked stories collected here The House in Turk Street The Girl with the Silver Eyes The Big Knockover and 106 000 Blood Money In THE DAIN CURSE the Continental Op takes on his most bizarre case that of a wealthy young woman who appears to be the victim of a deadly family curse And THE GLASS KEY Hammett s own favorite among his works features his most cynical and morally ambiguous hero Ned Beaumont caught in a hard boiled love triangle Reading Early Hammett LeRoy Lad Panek,2004-09-22 Dashiell Hammett like most successful writers honed his skills in the trenches Long before The Maltese Falcon and The Thin Man made him a household name Hammett developed his technique writing satirical magazine pieces then moved on to churn out tales of sex crime and adventure for pulp magazines Characters like Sam Spade and Nick and Nora Charles made him famous but Hammett perfected his style and created the first hard boiled detective fiction writing stories and novels about an anonymous middle aged detective known as the Continental Op This detailed examination of the early works of Dashiell Hammett takes a new look at one of the 20th century s most influential crime writers and his creation of the hard boiled detective story Each chapter covers an element of Hammett s early writing career his magazine fiction the Continental Op s development as a character the Continental Op novels and the last Continental Op stories A concluding chapter provides afterthoughts on Hammett s career style and place in the history of detective fiction A chronology of works cited a bibliography and an index supplement the text *The Dain Curse* Hammett Dashiell,2018-04-27 The detective known only as The Continental Op investigates a theft of diamonds from the Leggett family of San Francisco The plot involves a supposed curse on the Dain family said to inflict sudden and violent deaths upon those in their vicinity Edgar Leggett s wife is a Dain as is his daughter Gabrielle Leggett The detective untangles a web of robberies lies and murder It is discovered that Gabrielle Leggett is also involved in a mysterious religious cult and is addicted to drugs **The Dain Curse, The Glass Key, and Selected Stories** Dashiell Hammett,2007 *Criminal Femmes Fatales in American Hardboiled Crime Fiction* Maysaa Husam Jaber,2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny *THE DAIN CURSE. UNIFORM ED.* Dashiell Hammett,1974 **The Novel Art** Mark McGurl,2020-06-30 Once upon a time there were good American novels and bad ones but none was thought of as a work of art The Novel Art tells the story of how beginning with Henry James this began to change Examining the late nineteenth

century movement to elevate the status of the novel its sources paradoxes and reverberations into the twentieth century Mark McGurl presents a more coherent and wide ranging account of the development of American modernist fiction than ever before Moving deftly from James to Stephen Crane Edith Wharton Gertrude Stein William Faulkner Dashiell Hammett and Djuna Barnes among others McGurl argues that what unifies this diverse group of ambitious writers is their agonized relation to a middling genre rarely included in discussions of the fine arts He concludes that the new product despite its authors desire to distinguish it from popular forms never quite forsook the intimacy the genre had long cultivated with the common reader Indeed the art novel sought status within the mass market and among its prime strategies was a promotion of the mind as a source of value in an economy increasingly dependent on mental labor McGurl also shows how modernism s obsessive interest in simple mindedness revealed a continued concern with the masses even as it attempted to use this simplicity to produce a heightened sophistication of form Masterfully argued and set in elegant prose *The Novel Art* provides a rich new understanding of the fascinating road the American novel has taken from being an artless enterprise to an aesthetic one

The Armchair Detective ,1995 **Jean Simmons** Michelangelo Capua,2022-06-08 Arriving in Hollywood in 1950 to launch her American film career Jean Simmons 1929 2010 had already appeared in 18 British films and was best known for her portrayal of Ophelia in Laurence Olivier s *Hamlet* She soon became a favorite female face working with some of filmmaking s greats and acted opposite many Hollywood A listers Two of her most popular films *Guys and Dolls* 1955 and *Spartacus* 1960 were international box office hits and in her seven decades long career she collected numerous awards and honors including a Golden Globe an Emmy and two Oscar nominations as Best Actress Despite the accomplishments and accolades radiant beauty and stunning versatility Simmons is considered by many to be an underrated artist too often handed more comfortable leading female roles than those that could ve elevated her to the level of super stardom experienced by some of her peers This the first full length biography of Simmons fills a gap in film and performing arts studies and includes extensive notes and photographs

Private Investigations Sinda Gregory,1985 Gregory examines each of Hammett s novels *Red Harvest* *The Dain Curse* *The Maltese Falcon* *The Glass Key* and *The Thin Man* in terms of their form and theme to make clear their twofold appeal She shows that they succeed not only as popular fiction but as literature Through literary analysis she shows that within each of his works there are intricate literary strategies to be probed and analyzed symbolically metaphysically and metafictionally to yield the sharp vision we expect of art His first novel *Red Harvest* provides an excellent example of his strategies Filled with action vivid characters and remarkable colloquial dialogue *Red Harvest* is a study of personal systems of ethical responsibility of the individual s impotence against an overwhelming destructiveness of corruption chaos and death yet all of this is subtly woven into dramatic action that thrilled audiences of sensationalized fiction This dual structure provides an on going sense of revelation Once a reader discerns that there is meaning beyond the action filled maelstrom of motion and death that marks Hammett s works a pattern of increasing

complexity appears. Thus not only is *The Dain Curse* an exciting story of murder and a family curse it is a metafictional survey of detective fiction styles. Gregory shows that Hammett uses the conventions of detective fiction in this novel as a means of addressing epistemological issues that bring into question the basic premises of the genre. Indeed in his most famous work *The Maltese Falcon* Hammett creates a work that is itself a testament to the unknowability of human conduct for in it he manipulates details, characterization and plot until the very concept of mystery emerges as the central point of the book. For Hammett the greatest mystery was always the complexities of human consciousness. *The Dain Curse* Robert W. Lenski, 1977 *A Dashiell Hammett Companion* Robert L. Gale, 2000-02-28 Dashiell Hammett's writing career began with the publication of *The Parthian Shot* a tiny short story in *The Smart Set* in 1922 and virtually ended when he published 3 outstanding stories in *Collier's* in 1934. During this period he published 60 short stories, 5 novels including *The Maltese Falcon* and *The Thin Man*, a few minor poems, some nonfictional prose and a series of astute book reviews. Though he lived until 1961 he wrote little after 1934 and suffered from alcoholism, tuberculosis and other illnesses. His influence on other writers, however, and on movies and television has survived to this day. This reference work is a comprehensive guide to Hammett's life and works. The volume begins with a chronology that highlights the major events in Hammett's life. The bulk of the book comprises alphabetically arranged entries for Hammett's works, characters, family members and acquaintances. Some of the entries cite sources of additional information and the volume concludes with a brief bibliography. While the reference is first and foremost a guide to Hammett it is also a helpful aid to the study of the development of the American hard-boiled detective novel. *The Talleyrand Maxim* Joseph Smith Fletcher, 1921 ***The New Wave*** James Monaco, 1976
