**Sterling Evans**

## **Dakota Circle Excursions On The True Plains:**

**Dakota Circle** Thomas Dean Isern, 2000 Confident in the regional future historian and traveler Tom Isern is free to explore the delights of regional life from fiberglass pheasants to Montana caviar and to invite readers of Dakota Circle along for some excursions on the true plains     Barns of Minnesota ,2004 Minnesota s barns are remarkable testaments to a midwestern way of life one centered on the land work family ingenuity and perseverance Many think of barns as breathtaking landmarks along the byways Others have their favorite barns the well kept red dairy barn near St Cloud the faded horse barn on the way to Faribault Still others know these structures more intimately barns are as integral to their lives as family and home In Barns of Minnesota photographer Doug Ohman showcases the vast array of these exceptional landmarks built by hand in wood stone brick or metal and dating back as far as 1880 Where Ohman s photographs capture the beauty of the barn from the outside in Will Weaver s evocative story illuminates the life of the barn from the inside out Readers witness the making and breaking of one barn as it plays into the life and sustenance of several generations of one family who settled the land in 1922 and who farmed into the age of agribusiness Seventy five stunning color photographs accompanied by Weaver s moving story uplift these beautiful buildings and a way of life on the land that is as strong and proud as fragile and humble as the barns among us     *Bull Threshers and Bindlestiffs* Thomas D. Isern, 2021-10-29 Bull Threshers and Bindlestiffs is a panorama on a continental canvas the Great Plains of North America stretching from Texas to Alberta Onto this surface the author lays the large features of regional practice in the harvesting and threshing of wheat during the days before the combined harvester harvesting with binder and header threshing with bull thresher and steam engine Into the picture he places the key figures who accomplished the task of gathering the grain the farm men and women the custom threshermen and the bindlestiffs or itinerant laborers Affectionately he sketches the small details of folklife that comprised the everyday work and culture of the wheat belt building shocks loading racks constructing stacks pitching bundles into the separator hauling water to the engine drinking deep from the crockery water jug Bull Threshers and Bindlestiffs is a profusely illustrated study of a complex vigorous regional culture concerned with the production of wheat a culture that centered around the annual harvest and declined with the advent of the combine This is an examination of the interaction of culture environment and technology with import for the fields of agricultural history and regional history More than that with its grassroots research its descriptions of tools and customs and its lavish illustrations it is a re creation of a proud phase of regional life previously captured only in yellowed albumen photographs     John Brown to Bob Dole Virgil W. Dean, 2006-01-29 From radical abolitionist John Brown to presidential candidate Bob Dole to visionary environmentalist Wes Jackson Kansas history is bursting with fascinating stories of individuals who made a difference to the nation and whose lives reveal much about our collective past Prominent Kansas historian Virgil Dean has gathered a distinguished team of writers Thomas Isern Craig Miner and others who have crafted incisive portraits of 27 notable men and women covering 150 years of

Kansas and American history Here are agitators who moved their fellow citizens to action over political social and economic problems not only John Brown but also proslavery agitator William H Russell Mary Elizabeth Lease lecturer for the Farmers Alliance and Populist Party Gerald B Winrod aka the Jayhawk Hitler and Esther Brown who challenged segregation in public schools Here too are motivators like women's rights activist Clarina I H Nichols William Allen White the Sage of Emporia and favorite sons Dwight D Eisenhower and Bob Dole Then there are the innovators from trailblazers like Joseph G McCoy who changed the face of the cattle industry and wheat king Theodore C Henry to Wes Jackson a pioneer in the sustainable agriculture movement and the multitalented Gordon Parks photographer filmmaker and author of *The Learning Tree* Reformers and preachers publishers and artists these fascinating personalities are brought vividly back to life by Dean and his fellow authors They offer a fresh and engaging look at many of the important themes of Kansas history especially the state's identification with some of the great radical movements including abolitionism populism and civil rights and ultimately recapture the true spirit of Kansas and its meaning for the rest of the nation **The Borderlands of the**

**American and Canadian Wests** Sterling Evans, 2006-01-01 *The Borderlands of the American and Canadian Wests* is the first collection of interdisciplinary essays bringing together scholars from both sides of the forty ninth parallel to examine life in a transboundary region The result is a text that reveals the diversity difficulties and fortunes of this increasingly powerful but little understood part of the North American West Contributions by historians geographers anthropologists and scholars of criminal justice and environmental studies provide a comprehensive picture of the history of the borderlands region of the western United States and Canada *The Borderlands of the American and Canadian Wests* is divided into six parts Defining the Region Colonizing the Frontier Farming and Other Labor Interactions the Borderlands as a Refuge in the Nineteenth Century the Borderlands as a Refuge in the Twentieth Century and Natural Resources and Conservation along the Border Topics include the borderlands environment its aboriginal and gender history frontier interactions and comparisons agricultural and labor relations tourism the region as a refuge for Mormons far right groups and Vietnam War resisters and conservation and natural resources These areas show how the history and geography of the borderlands region has been transboundary multidimensional and unique within North America [North Dakota History](#) , 2003 *Journal of the Northern Plains*

[Dictionary of Midwestern Literature, Volume Two](#) Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature

Encyclopedia of the Great Plains David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging planned encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have Great Plains Quarterly ,2012 South Dakota History ,2003 Current Contents Institute for Scientific Information (Philadelphia), 2002 Environmental Histories of New Zealand Eric Pawson, Tom Brooking, 2002 Environmental Histories of New Zealand presents an interdisciplinary account of one of the most rapid and extensive transformations of nature in human history that which followed Maori and then European colonization of New Zealand's temperate islands New Zealand is noted for its extraordinary environmental histories but this is the first book from within the country to chart and analyse these histories for wider audiences Unusual among environmental histories this book provides a comprehensive analysis of change in its wider as well as its local contexts It is organized into five parts and the chapters in each part elaborate on the themes of encounters colonizing special environments modernizing and contemporary perspectives The book is well illustrated with photographs maps and other graphics It will appeal to students of history geography Maori studies anthropology and environmental studies in New Zealand and overseas and to anyone interested in the environment **American Book Publishing Record** ,2001 **Forthcoming Books** Rose Arny, 2000 *Arts & Humanities Citation Index* ,2002 **Herald of Truth** ,1902 **Northwestern Farmer** ,1903 **Truth Seeker** ,1892 **Holstein-Friesian World** ,1921 Successful Farming ,1912
