**Linda Northrup**

## **Damascus Appointment:**

**The Foreign Office List and Diplomatic and Consular Year Book for ...** Great Britain. Foreign Office, 1959

**Damascus Appointment** Jerry Rutkin, J. Stephen Conn, 1976-11      **From Slave to Sultan** Linda Northrup, 1998

Spanning the greater part of the thirteenth century the career of the Mamluk sultan of Egypt and Syria al Mansur Qalawun is of great interest for the light it sheds on the major themes of early Mamluk history the emergence of a new political and administrative structure characterized by increased militarization and mamlukization the role of the caliphate and the nature of sultani authority the problem of succession Mamluk factionalism Egyptian Syrian relations relations with Mongols and Crusaders and the importance not to mention the strategic and complex nature of international trade in the Mamluk realm Not only does this work fill a gap in knowledge of the early Mamluk period complementing the studies we have of Baybars s and al Nasir Muhammad s reigns but it goes further than most in analyzing the institutions of the period and uses hitherto neglected materials to illuminate theoretical and practical questions of Mamluk rule With indices *From Slave to Sultan* is well written The analysis is dense and packed with scholarship it is one of those books of which specialists will devour the notes with even greater relish than they do the text Graduate students in particular will be grateful for her first chapter in which she introduces describes and evaluates the various sources *MESA Bulletin* This book will unquestionably stand as the authoritative work on Qalawun for some time to come *School of Oriental African Studies* Northrup is to be commended for undertaking this important and much needed project with her persistent efforts meticulous and critical reading of the sources sound methodology and diligent presentation The result is a definitive work on the political legacy of one of the most eminent early Mamluk sultans *Journal of Near Eastern Studies* Franz Steiner 1998      *Commentary and Tradition* Pierluigi Donini, 2010-12-23 The volume collects the most important papers Pierluigi Donini wrote in the last three decades with the aim of promoting a better assessment of post hellenistic philosophy The philosophical relevance of post hellenistic philosophy is now widely though not yet universally recognized Yet much remains to be done The common practice of focusing each single school in itself detracts from a balanced assessment of the strategies exploited by many philosophers of the period On the assumption that debates among schools play a major role in the philosophy of the commentators Donini concentrates on the interaction between leading Aristotelians and Platonists and demonstrates that the developments of both systems of thought were heavily influenced by a continuous confrontation between the two schools And whereas in cases such as Alcinous and Aspasius this is basically uncontroversial for other authors such as Alexander Antiochus and Plutarch the pioneering work of Donini paves the way for a better understanding of their doctrines and definitely confirms the intellectual importance of the first imperial age when the foundations were laid of versions of both Aristotelianism and Platonism which were bound to influence the whole history of European thought from Late Antiquity onwards      *Pragmatic Encroachment in Epistemology* Brian Kim, Matthew McGrath, 2018-10-25 According to philosophical lore epistemological orthodoxy is a purist

epistemology in which epistemic concepts such as belief evidence and knowledge are characterized to be pure and free from practical concerns In recent years the debate has focused narrowly on the concept of knowledge and a number of challenges have been posed against the orthodox purist view of knowledge While the debate about knowledge is still a lively one the pragmatic exploration in epistemology has just begun This collection takes on the task of expanding this exploration into new areas It discusses how the practical might encroach on all areas of our epistemic lives from the way we think about belief confidence probability and evidence to our ideas about epistemic value and excellence The contributors also delve into the ramifications of pragmatic views in epistemology for questions about the value of knowledge and its practical role Pragmatic Encroachment in Epistemology will be of interest to a broad range of epistemologists as well as scholars working on virtue theory and practical reason

**Islām and the People of the Book Volumes 1-3** John Andrew Morrow, 2018-04-18 Islam and the People of the Book features three dozen scholarly studies on the treaties that the Prophet Muhammad concluded with Jewish Samaritan Christian and Zoroastrian communities along with translations of Six Covenants of the Prophet in over a dozen languages The combined effort of over forty five academics intellectuals and translators from around the world this work powerfully confirms the conclusions drawn by Dr John Andrew Morrow in his critically acclaimed book on The Covenants of the Prophet Muhammad with the Christians of the World offers unprecedented insight into the original intent of the Messenger of God and sheds light on the pluralistic nature of the constitutional state that he created

**Bureaucrat and Intellectual in the Ottoman Empire** Cornell H. Fleischer, 2014-07-14 Mustafa Ali was the foremost historian of the sixteenth century Ottoman Empire Most modern scholars of the Ottoman period have focused on economic and institutional issues but this study uses Ali and his works as the basis for analyzing the nature of intellectual and social life in a formative period of the Ottoman Empire Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Thought Experiments** Roy A. Sorensen Associate Professor of Philosophy New York University, 1992-08-06 Sorensen presents a general theory of thought experiments what they are how they work what are their virtues and vices On Sorensen s view philosophy differs from science in degree but not in kind For this reason he claims it is possible to understand philosophical thought experiments by concentrating on their resemblance to scientific relatives Lessons learned about scientific experimentation carry over to thought experiment and vice versa Sorensen also assesses the hazards and pseudo hazards of thought experiments Although he grants that there are interesting ways in which the method leads us astray he attacks most scepticism about thought experiments as arbitrary They should be used he says as they generally are used as part of a diversified portfolio of

techniques All of these devices are individually susceptible to abuse fallacy and error Collectively however they provide a network of cross checks that make for impressive reliability

**The Romance of Isabel, Lady Burton** Lady Isabel Burton, William Henry Wilkins, 1897 *Report of the Commission Appointed by the Government of Palestine to Inquire Into the Affairs of the Orthodox Patriarchate of Jerusalem* Palestine. Commission on the affairs of the Orthodox Patriarchate of Jerusalem, Anton Bertram, Sir Anton Bertram, 1921 **Egypt and Syria Under the Circassian Sultans, 1382-1468 A.D.** William Popper, 1955 The True Life of Capt. Sir Richard F. Burton Georgiana M. Stisted, 1896 **Egypt and Syria Under the Circassian Sultans, 1392-1468 A.D.** William Popper, 1955 **Permanent Mandates Commission** League of Nations, 1925 The World Book, 1923 **Minutes of the ... Session** League of Nations. Permanent Mandates Commission, 1926 *The Chap-book* Herbert Stuart Stone, Bliss Carman, Harrison Rhodes, 1897 The Romance of Isabel Lady Burton, the Story of Her Life, Told in Part by Herself and in Part by W. H. Wilkins William Henry WILKINS, Lady Isabel Burton, 1897 *The true life of Capt* Georgiana M. Stisted, 1896 **The Book of History: The Near East**, 1915 A profusely illustrated summary of world history from an Euro centric view but in great detail up to the end of World War II
