Damned To Fame:

Damned to Fame: the Life of Samuel Beckett James Knowlson, 2014-10-16 _____ A triumph of scholarship and sympathy one of the great post war biographies Independent A landmark in scholarly criticism Knowlson is the world's largest Beckett scholar His life is right up there with George Painter's Proust and Richard Ellmann's Joyce in sensitivity and fascination Daily Telegraph It is hard to imagine a fuller portrait of the man who gave our age some of the myths by which it lives Evening Standard _____ SHORTLISTED FOR THE WHITBREAD PRIZE _____ Samuel Beckett's long standing friend James Knowlson recreates Beckett's youth in Ireland his studies at Trinity College Dublin in the early 1920s and from there to the Continent where he plunged into the multicultural literary society of late 1920s Paris The biography throws new light on Beckett's stormy relationship with his mother the psychotherapy he received after the death of his father and his crucial relationship with James Joyce There is also material on Beckett's six month visit to Germany as the Nazis tightened their grip The book includes unpublished material on Beckett's personal life after he chose to live in France including his own account of his work for a Resistance cell during the war his escape from the Gestapo and his retreat into hiding Obsessively private Beckett was wholly committed to the work which eventually brought his public fame beginning with the controversial success of *Waiting for Godot* in 1953 and culminating in the award of the Nobel Prize for Literature in 1969

Beckett's Catastrophe - A Play about Power and Impotency Daniela Esser, 2002-09-05 Seminar paper from the year 2001 in the subject English Language and Literature Studies Literature grade very good University of Paderborn Anglistics course Proseminar Post 1970 Beckett language English abstract Early in 1982 Samuel Beckett was one of the first writers to respond to an invitation from the Association Internationale de Défense des Artistes AIDA for contributions of works to show support for Václav Havel the Czech playwright who was serving a prison sentence for his dissident activities In 1979 Havel had been sentenced by the Czechoslovak communist regime to four and a half years imprisonment for subversion He was co-founder and spokesman of the Charter 77 initiative as well as a member of the Czech Committee for the Defence of the Unjustly Persecuted VONS Shocked to hear that Havel had been forbidden to write which must have seemed the ultimate oppression² Beckett wrote *Catastrophe*³ and dedicated the play to Havel It was first performed as part of *Une nuit pour Václav Havel* at the Avignon Theatre Festival in July 1982⁴ Knowlson referring to Beckett's refusal to employ didactic impulses in his writing mentions that Beckett sometimes regretted his incapability to write anything that dealt overtly with politics⁵ but the biographer also asserts that Beckett utterly rejected political implications in his writing⁶ However with the invitation of AIDA he could show his solidarity with a victimized imprisoned fellow writer⁷ who took a courageous stand against abuses of human rights Nonetheless a political reading of *Catastrophe* is grounded on the victimization of the Protagonist by the dictatorial Director The play has also been identified as a parable of Man and Satan see 2.2 In his biography *Damned to Fame: The Life of Samuel Beckett* Knowlson argues that the play has also been related to Beckett's own
