Generations are familiar with the haunting black and white television footage of Donald Campbell somersaulting to his death in his famous Bluebird boat on Coniston Water in January 1967 It has become an iconic image of the decade His towering achievements and the drama of his passing are thus part of the national psyche But what of the man himself The son of the legendary Sir Malcolm Campbell who was famous for being the ultimate record breaker of the inter war years he broke the land speed record nine times and the water speed record four times with his Bluebird cars and boats Donald Campbell was born to speed He was outgoing and flamboyant yet carefully orchestrated the image he presented to the world Some saw him as a playboy adventurer others such as the radio producer on the twenty first anniversary of his death as a reckless daredevil with a death wish He was known to take solace in extra marital dalliances and was obsessed with spiritualism And in his final years battered by a 360 mph accident while attempting the land record on the Bonneville Salt Flats in Utah and his prolonged and anti climactic subsequent effort on the treacherous Lake Eyre in Australia Campbell appeared a haggard and often frightened man He had become trapped on his record breaker s treadmill as he continually sought to prove himself to his illustrious father in whose long shadow he felt forever trapped DONALD CAMPBELL THE MAN BEHIND THE MASK paints a fascinating portrait of an intense complex superstitious yet abnormally brave man who was driven not only by the desire to prove that he was worthy of the mantle of his father but also by his fervent and unswerving desire to keep Britain at the forefront of international speed endeavour This book generates a unique insight into how his desperate fear of failure finally lured him into taking one risk too many **British Sport - a Bibliography to 2000** Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Damon Hill** Declan P Williams,2025-02-02 Damon Hill s journey to Formula 1 glory is a story of perseverance talent and destiny Born into a racing dynasty as the son of double world champion Graham Hill Damon had to carve his own path in the fiercely competitive world of motorsport Overcoming personal tragedy early career struggles and the pressures of living up to his father s legacy he rose through the ranks to become one of the most respected drivers of his era His dramatic rivalry with Michael Schumacher the heartbreak of 1994 and his triumphant World Championship victory in 1996 are legendary moments in F1 history But Damon s story goes beyond racing it is one of resilience reinvention and life beyond the fast lane This book delves into the highs and lows of his career his battles on and off the track and his lasting
