Dan De Quille The Washoe Giant A Biography And Anthology

Ronald M. James

Dan De Quille The Washoe Giant A Biography And Anthology:

Dan De Quille, the Washoe Giant Richard A. Dwyer, Dan De Quille, 1990 **Dan De Quille, the Washoe Giant** Richard A. Dwyer, Dan De Quille, 1990 Mark Twain, Unsanctified Newspaper Reporter James Edward Caron, James E. Caron, 2008 Before Mark Twain became a national celebrity with his best selling *The Innocents Abroad* he was just another struggling writer perfecting his craft but already playin hell with the world In the first book in more than fifty years to examine the initial phase of Samuel Clemens s writing career James Caron draws on contemporary scholarship and his own careful readings to offer a fresh and comprehensive perspective on those early years and to challenge many long standing views of Mark Twain s place in the tradition of American humor Tracing the arc of Clemens s career from self described unsanctified newspaper reporter to national author between 1862 and 1867 Caron reexamines the early and largely neglected writings especially the travel letters from Hawaii and the letters chronicling Clemens s trip from California to New York City Caron connects those sets of letters with comic materials Clemens had already published drawing on all known items from this first phase of his career even the virtually forgotten pieces from the San Francisco Morning Call in 1864 to reveal how Mark Twain s humor was shaped by the sociocultural context and how it catered to his audience s sensibilities while unpredictably transgressing its standards Caron reveals how Sam Clemens s contemporaries notably Charles Webb provided important comic models and he shows how Clemens not only adjusted to but also challenged the guidelines of the newspapers and magazines for which he wrote evolving as a comic writer who transmuted personal circumstances into literary art Plumbing Mark Twain s cultural significance Caron draws on anthropological insights from Victor Turner and others to compare the performative aspects of Clemens s early work to the role of ritual clowns in traditional societies Brimming with fresh insights into such benchmarks as *Our Fellow Savages of the Sandwich Islands* and *Jim Smiley and His Jumping Frog* this book is a gracefully written work that reflects both patient research and considered judgment to chart the development of an iconic American talent Mark Twain *Unsanctified Newspaper Reporter* should be required reading for all serious scholars of his work as well as for anyone interested in the interplay between artistic creativity and the literary marketplace *A History of Western American Literature* Susan Kollin, 2015-12-11 The American West is a complex region that has inspired generations of writers and artists Often portrayed as a quintessential landscape that symbolizes promise and progress for a developing nation the American West is also a diverse space that has experienced conflicting and competing hopes and expectations While it is frequently imagined as a place enabling dreams of new beginnings for settler communities it is likewise home to long standing indigenous populations as well as many other ethnic and racial groups who have often produced different visions of the land This History encompasses the intricacy of Western American literature by exploring myriad genres and cultural movements from ecocriticism settler colonial studies and transnational theory to race ethnic gender and sexuality studies Written by a host of leading historians and literary critics this book offers readers insight

into the West as a site that sustains canonical and emerging authors alike and as a region that exceeds national boundaries in addressing long standing global concerns and developments

Monumental Lies Ronald M. James, 2023-09-19 A playful embrace of tall tales and exaggeration Monumental Lies explores the evolution of folklore in the Wild West Monumental Lies Early Nevada Folklore of the Wild West opens the door to understanding how legends and traditions emerged during the first decades following the Rush to Washoe which transformed the region beginning in 1859 During this Wild West period there was widespread celebration of deceit manifesting in tall tales burlesque lies practical jokes and journalistic hoaxes Humor was central to these endeavors and practitioners easily found themselves scorned if they failed to be adequately funny This ethos became central to the way folklore emerged during the formative years of the Nevada territory and state The tens of thousands of people who came to the West attracted by gold and silver mining brought distinct cultural legacies The interaction of diverse perspectives even while new stories and traditions coalesced or simply appeared was a complex process Author Ronald M James addresses how the fluidity of the region affected new expressions of folklore as they took root Mark Twain often a go to source for collections of early tall tales of this region cannot be overlooked but his interaction with local traditions was specific and narrow More importantly William Wright publishing as Dan De Quille arose as a key collector of legends a counterpart of early European folklorists With a bedrock understanding of what unfolded in the nineteenth century it is possible to consider

Sins against Science Lynda Walsh, 2016-09-14 Recounts the fake news stories written from 1830 to 1880 about scientific and technological discoveries and the effect these hoaxes had on readers and their trust in science Lynda Walsh explores a provocative era in American history the proliferation of fake news stories about scientific and technological discoveries from 1830 to 1880 These hoaxes which fooled thousands of readers offer a first hand look at an intriguing guerilla tactic in the historical struggle between arts and sciences in America Focusing on the hoaxes of Richard Adams Locke Edgar Allan Poe Mark Twain and Dan De Quille the author combines rhetorical hermeneutics linguistic pragmatics and reader response theory to answer three primary questions How did the hoaxes work What were the hoaxers trying to accomplish And what is a hoax Its careful examination of contemporary reader reactions to the hoaxes provides concrete evidence for what people actually believed thus attesting very specifically to the nineteenth century assumptions about the real world that were being called into question by the hoaxes impressively wide range of historical and theoretical resources are brought to bear on these acts of reading All of this is woven into a rich and nuanced account of what we stand to gain in terms of understanding the past by taking seriously a handful of little known jests The Edgar Allen Poe Review I found the book to be quite informative not only as a technical exploration concerned with how readers interact with texts that promulgate hoaxes but also as a work providing helpful glimpses of the emerging roles of science and media in this period Thomas M Lessl The University of Georgia As Walsh points out there is no extended analysis of hoaxes in the rhetoric of science and her book shows how important hoaxes are in understanding the history of professionalized science as

it emerged in the United States The relationship of science and the the public is of utmost importance in science studies and the author has identified a key source of historical information about this relationship Ellen Barton coeditor of Discourse Studies in Composition **Comstock Women** Ronald M. James,C. Elizabeth Raymond,1997-12-01 When it comes to Nevada history men get most of the ink Comstock Women is a collection of 14 historical studies that helps to rectify that reality The authors of these essays who include some of Nevada s most prominent historians demographers and archaeologists explore such topics as women and politics jobs and ethnic groups Their work goes far in refuting the exaggerated popular images of women in early mining towns as dance hall girls or prostitutes Relying primarily on newspapers court decisions census records as well as sparse personal diaries and records left by the woman the essayists have resurrected the lives of the women who lived on the Comstock during the boom years **The Californians** ,1993 *Adventure Journalism in the Gilded Age* Katrina J. Quinn,Mary M. Cronin, Lee Jolliffe,2021-07-12 These new essays tell the stories of daring reporters male and female sent out by their publishers not to capture the news but to make the news indeed to achieve star billing and to capitalize on the Gilded Age public s craze for real life adventures into the exotic and unknown They examine the adventure journalism genre through the work of iconic writers such as Mark Twain and Nellie Bly as well as lesser known journalistic masters such as Thomas Knox and Eliza Scidmore who took to the rivers and oceans mineshafts and mountains rails and trails of the late nineteenth century shaping Americans perceptions of the world and of themselves **Utah Historical Quarterly** J. Cecil Alter,1991 List of charter members of the society v 1 p 98 99 *Biography Index* Bea Joseph,1991 A cumulative index to biographical material in books and magazines [A Bibliographical Guide to the Study of Western American Literature](#) Richard W. Etulain,Nancy Jill Howard,1995 The revised and updated edition of this standard reference work in the field of Western American Literature now contains over 6 000 bibliographic references The topical listings have been expanded to encompass feminist and environmental studies Rather than attempting to be exhaustive the editors have chosen the major interpretive works making the volume useful to both specialists working outside their area and nonspecialists seeking an overview Broad in its scope the guide also focuses on a number of special topics local color and regionalism popular western literature western film Indian literature and Indians in western literature the environment women and families the Beats and Canadian western literature Logically and helpfully organized the volume will be invaluable to scholars researchers students and general readers **America, History and Life** ,1994

Nineteenth-century Literature ,1990 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James *The Temptations of St. Ed & Brother S* Frank Bergon,1993 In the 1990s many people are concerned about the environment as are St Ed and Brother S the only monks at the Hermitage of Solitude in the Desert Now there is a nuclear waste dump planned for nearby land and both monks as well as the Shoshone

Indians object The monks also face temptations including lust and the desire for fame Strong language and some descriptions of sex **The Cumulative Book Index** ,1990 A world list of books in the English language **Journal of the West** Lorrin L. Morrison,Carroll Spear Morrison,1993 From the Still Empty Grave Arthur Wilber Stevens,1995 Wilber Stevens sees poetry as a way of seeing things of focusing on the awesome dimensions of being alive In this collection of poems Stevens explores the complex connections between place and experience life and death the world of books and the quotidian world of work pain and loss **Zyzyva** ,1995 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09

As recognized, adventure as competently as experience not quite lesson, amusement, as competently as understanding can be gotten by just checking out a book **Dan De Quille The Washoe Giant A Biography And Anthology** moreover it is not directly done, you could say you will even more on the order of this life, going on for the world.

We find the money for you this proper as skillfully as easy pretension to acquire those all. We come up with the money for Dan De Quille The Washoe Giant A Biography And Anthology and numerous book collections from fictions to scientific research in any way. in the course of them is this Dan De Quille The Washoe Giant A Biography And Anthology that can be your partner.
