Dance In Cambodia:

Beyond the Apsara Stephanie Burridge, Fred Frumberg, 2020-11-29 This book celebrates and documents the resurgence of dance in Cambodia after the fall of the Khmer Rouge and the infamous Pol Pot regime It honours the remarkable commitment of the few remaining masters of the art of dance who are reviving and preserving the famous classical dances as well as the courage and resolution of young artists who are imaginatively pursuing their passion to forge new paths in contemporary dance In 2003 Cambodian classical dance was awarded world heritage status by UNESCO this confirmed the importance and perhaps the burden of the task of preservation This volume includes contributions from the royal family eminent writers and commentators and the dancers themselves Monuments and reminders of the Killing Fields abound in the city of Phnom Penh Nearly 2 million Cambodians including many artists perished during the killings or died of starvation and disease during the Khmer Rouge years Today the dancers both young and old move towards the future while respecting and honouring the past This volume documents their journey
