

Dance With Evil

G Orfield

Dance With Evil:

Dance with the Devil Audrey Harper, Harry Pugh, 2004-09-01 *Adversaries of Dance* Ann Louise Wagner, 1997 Whether in the private parlor public hall commercial dance palace or sleazy dive dance has long been opposed by those who viewed it as immoral more precisely as being a danger to the purity of those who practiced it particularly women In *Adversaries of Dance* Ann Wagner presents a major study of opposition to dance over a period of four centuries in what is now the United States Wagner bases her work on the thesis that the tradition of opposition to dance derived from white male Protestant clergy and evangelists who argued from a narrow and selective interpretation of biblical passages and that the opposition thrived when denominational dogma held greater power over people's lives and when women's social roles were strictly limited Central to Wagner's work which will be welcomed by scholars of both religion and dance are issues of gender race and socioeconomic status **Dancing: Its Evils and Its Benefits...** James C. Jackson, 1873 **Pageant of Youth** Daniel Aloysius Lord, 1925

Dancing to the devil William Cowper Brann, 1919 **The Gospel of the Kingdom**, 1910 **Satan in the Dance Hall** Ralph G Giordano, 2008-10-23 *Satan in the Dance Hall* explores the overwhelming popularity of social dancing and its close relationship to America's rapidly changing society in the 1920s The book focuses on the fiercely contested debate over the morality of social dancing in New York City led by moral reformers and religious leaders like Rev John Roach Straton Fed by the firm belief that dancing was the leading cause of immorality in New York Straton and his followers succeeded in enacting municipal regulations on social dancing and moral conduct within the more than 750 public dance halls in New York City Ralph G Giordano conveys an easy to read and full picture of life in the Jazz Age incorporating important events and personalities such as the Flu Epidemic the Scopes Monkey Trial Prohibition Flappers Gangsters Texas Guinan and Charles Lindbergh while simultaneously describing how social dancing was a hugely prominent cultural phenomenon one closely intertwined with nearly every aspect of American society from the Great War to the Great Depression With a bibliography an index and over 35 photos *Satan in the Dance Hall* presents an interdisciplinary study of social dancing in New York City throughout the decade *The Lyceumite and Talent*, 1911 **Christian Advocate**, 1908

The People Have Never Stopped Dancing Jacqueline Shea Murphy, 2007 During the past thirty years Native American dance has emerged as a visible force on concert stages throughout North America In this first major study of contemporary Native American dance Jacqueline Shea Murphy shows how these performances are at once diverse and connected by common influences Demonstrating the complex relationship between Native and modern dance choreography Shea Murphy delves first into U S and Canadian federal policies toward Native performance from the late nineteenth through the early twentieth centuries revealing the ways in which government sought to curtail authentic ceremonial dancing while actually encouraging staged spectacles such as those in *Buffalo Bill's Wild West* shows She then engages the innovative work of Ted Shawn Lester Horton and Martha Graham highlighting the influence of Native American dance on modern dance in the

twentieth century Shea Murphy moves on to discuss contemporary concert dance initiatives including Canada's Aboriginal Dance Program and the American Indian Dance Theatre illustrating how Native dance enacts rather than represents cultural connections to land ancestors and animals as well as spiritual and political concerns Shea Murphy challenges stereotypes about American Indian dance and offers new ways of recognizing the agency of bodies on stage Jacqueline Shea Murphy is associate professor of dance studies at the University of California Riverside and coeditor of *Bodies of the Text* Dance as Theory Literature as Dance **Mind and Body**, 1912 *Public Recreation* Commonwealth Club of California, 1913 **The Light**, 1921 **Christian Nation**, 1912 **Supreme Court**, **Commentationes Humanarum Litterarum**, 1929 **What's Wrong with the World?** John Downey Works, 1922 **Michigan Christian Advocate**, 1897 **Dancing in the English style** Allison Abra, 2017-04-30 *Dancing in the English style* explores the development experience and cultural representation of popular dance in Britain from the end of the First World War to the early 1950s It describes the rise of modern ballroom dancing as Britain's predominant popular style as well as the opening of hundreds of affordable dancing schools and purpose built dance halls It focuses in particular on the relationship between the dance profession and dance hall industry and the consumers who formed the dancing public Together these groups negotiated the creation of a national dancing style which constructed circulated and commodified ideas about national identity At the same time the book emphasizes the global exploring the impact of international cultural products on national identity construction the complexities of Americanisation and Britain's place in a transnational system of production and consumption that forged the dances of the Jazz Age *Encyclopædia of Religion and Ethics: Picts-Sacraments* James Hastings, John Alexander Selbie, Louis Herbert Gray, 1919 Articles on all the religions of the world and the great systems of ethics on every religious belief or custom and ethical movement on every philosophical idea and moral practice The Encyclopaedia embraces the whole range of theology and philosophy together with aspects of anthropology mythology folklore biology psychology economics and sociology Every article has been prepared by specialists Includes bibliographies and index
