Whiteness, Otherness and the Individualism Paradox from Huck to Punk D. Traber, 2007-02-19 Traber reexamines the practice of self marginalization in

Euro American literature and popular culture that depict whites adopting varied markers of otherness to disengage from the dominant culture He draws on critical theory whiteness and cultural studies to counter an eager correlation between marginality and agency The nonconformist cultural politics of these border crossings implode since the transgressive identity the protagonists desire relies upon is built from the center s values and definitions An orthodox notion of individualism underpins each act of sovereignty as it rationalizes exploiting stereotypes of an Other constructed by the center The work closes by positing a theory of identity based on Jean Luc Nancy s concept of the emptied self In recognizing the already mixed quality of being identity is made a vacuous concept as the standards for determining self and difference become too slippery to hold

This is the Sound of Irony: Music, Politics and Popular Culture Dr Katherine L. Turner, 2015-05-28 The use of irony in music is just beginning to be defined and critiqued irony in popular music being especially worthy of study because it is pervasive even fundamental to the music the business of making music and the politics of messaging Contributors to this collection address a variety of musical ironies found in the notes themselves in the text or subtext and through performance reception and criticism This interdisciplinary volume creates new methodologies and applies existing theories of irony to musical works that have made a cultural or political impact through the use of this most multifaceted of devices
