Dancing Into Darkness Butoh Zen And Japan:

Dancing Into Darkness Sondra Horton Fraleigh, 1999-07-15 Butoh also known as dance of darkness is a postmodern dance form that began in Japan as an effort to recover the primal body or the body that has not been robbed as butoh founder Tatsumi Hijikata put it Butoh has become increasingly popular in the United States and throughout the world diversifying its aesthetic while at the same time asserting the power of its spiritual foundations *Dancing into Darkness* is Sondra Horton Fraleigh's chronological diary of her deepening understanding of and appreciation for this art form as she moves from a position of aesthetic response as an audience member to that of assimilation as a student of Zen and butoh Fraleigh witnesses her own artistic and personal transformation through essays poems interviews and reflections spanning twelve years of study much of it in Japan Numerous performance photographs and original calligraphy by Fraleigh's Zen teacher Shodo Akane illuminate her words

Back to the Dance Itself Sondra Horton Fraleigh, 2018-10-24 In *Back to the Dance Itself* Sondra Fraleigh edits essays that illuminate how scholars apply a range of phenomenologies to explore questions of dance and the world performing life and language body and place and self knowing in performance Some authors delve into theoretical perspectives while others relate personal experiences and reflections that reveal fascinating insights arising from practice Collectively authors give particular consideration to the interactive lifeworld of making and doing that motivates performance Their texts and photographs study body and the environing world through points of convergence as correlates in elemental and constant interchange modeled vividly in dance Selected essays on eco phenomenology and feminism extend this view to the importance of connections with and caring for all life Contributors Karen Barbour Christine Bellerose Robert Bingham Kara Bond Hillel Braude Sondra Fraleigh Kimerer LaMothe Joanna McNamara Vida Midgelow Ami Shulman and Amanda Williamson

Moving Consciously Sondra Fraleigh, 2015-07-30 The popularity of yoga and Zen meditation has heightened awareness of somatic practices Individuals develop the conscious embodiment central to somatics work via movement and dance or through touch from a skilled teacher or therapist often called a somatic bodyworker Methods of touch and movement foster generative processes of consciousness in order to create a fluid interconnection between sensation thought movement and expression In *Moving Consciously* Sondra Fraleigh gathers essays that probe ideas surrounding embodied knowledge and the conscious embodiment of movement and dance Using a variety of perspectives on movement and dance somatics Fraleigh and other contributors draw on scholarship and personal practice to participate in a multifaceted investigation of a thriving worldwide phenomenon Their goal to present the mental and physical health benefits of experiencing one's inner world through sensory awareness and movement integration A stimulating addition to a burgeoning field *Moving Consciously* incorporates concepts from East and West into a timely look at life changing intertwined practices that involve dance movement performance studies and education Contributors Richard Biehl Robert Bingham Hillel Braude Alison East Sondra Fraleigh Kelly Ferris Lester Karin Rugman Catherine Schaeffer Jeanne Schul and

Ruth Way *The Routledge Companion to Butoh Performance* Bruce Baird, Rosemary Candelario, 2018-09-03 The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s butoh was a major innovation in twentieth century dance and performance and it continues to shape shift around the world. Taking inspiration from the Japanese avant garde Surrealism Happenings and authors such as Genet and Artaud its influence can be seen throughout contemporary performing arts music and visual art practices. This Companion places the form in historical context documents its development in Japan and its spread around the world and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh and the editors bring specially commissioned essays by leading scholars and dancers together with translations of important early texts. The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution CC BY 4.0 license.

The Routledge Companion to Theatre and Performance Paul Allain, Jen Harvie, 2014-08-01 What is theatre? What is performance? What connects them and how are they different? What events, people, practices and ideas have shaped theatre and performance in the twentieth and twenty-first century? The Routledge Companion to Theatre and Performance offers some answers to these big questions. It provides an analytical, informative and engaging introduction to important people, companies, events, concepts and practices that have defined the complementary fields of theatre and performance studies. This fully updated second edition contains three easy-to-use alphabetized sections including over 120 revised entries on topics and people ranging from performance artist Ron Athey to directors Vsevolod Meyerhold and Robert Wilson, megamusicals, postdramatic theatre and documentation. Each entry includes crucial historical and contextual information, extensive cross-referencing, detailed analysis and an annotated bibliography. The Routledge Companion to Theatre and Performance is a perfect reference guide for the keen student.

Practitioner Perspectives on Dance Research Gemma Harman, 2025-10-13 Practitioner Perspectives on Dance Research is a collection of accounts from scholars, educators, practitioners and makers that present an overview of key themes, arguments and practices central to their individual research. Built upon conversations recorded as ResDance™ podcast episodes, this edited collection presents both theoretical discussions and first-hand insights into various research practices engaging with both established and emergent ideas central to dance research. Whilst challenging current thinking, contributors from around the globe additionally offer reflections on ethics and practices of care, pedagogy and education and the shifting perspectives on methodologies. By providing an accessible exploration of frequently employed approaches, this book illuminates the choices made and considerations taken in dance research practice. This interdisciplinary discourse presents a rich palette of perspectives, approaches and ideas and is ideal for students, researchers, academics and practitioners alike with an interest in the current state of dance both in research and in practice.
