## **Dancing With Dinosaurs Ministry In A Hostile And Hurting Church:**

**Dancing with Dinosaurs** William M. Easum, 1993 William Easum argues that a radical shift in culture makes it necessary for the church to change the way it proclaims the gospel accounting for the anti Christian climate in which we live while maintaining the and integrity of the Christian message

**Paradigms of the Church in Mission** Augusto Rodriguez, 2012-02-01 In this book Augusto Rodriguez provides a historical survey of the different paradigms of Christianity in order to understand how and why the church has changed her concept of being the church and of mission This book will help in understanding how the different paradigms of Christianity throughout history have changed the church s self understanding of being the church and of mission Rodriguez s aim is to provide an opportunity for Christians to see the different paradigms the church has gone through and understand the present situation of the church in order to live out as fully as possible the New Testament understanding of its mission and better accomplish the task

**Power for God's Sake** Paul Beasley-Murray, 2005-08-18 How can churches be empowered not overpowered by individuals Power is a dangerous reality in ordinary church life But when people bring God into the issue and power for my sake becomes power for God s sake the danger is even greater This expose of power abuse in churches today draws on a survey of churches within mainline Protestant denominations Turning to the kind of power model Jesus gives the would be church leader the author explores how power can be handled positively when power for God s sake is in fact power surrendered in the service of others An important book for all involved in leadership within the church

**In Dying We Are Born** Peter Bush, 2007-12-03 Deeply ingrained in Western culture and in the minds of most church leaders is the belief that there is a solution to every problem Peter bush offers a powerful challenge to this approach arguing that for new life energy and passion to arise in congregations they must die die to one way of being the church in order that a new way may rise Bush identifies two types of dying congregations Some congregations need to close their doors bringing to an end years of ministry Other congregations need to dramatically change their culture and ways of doing ministry Such change may not entail literally closing the congregation s doors but it will require people giving up deeply held understandings of the life and purpose of the congregation All congregations Bush contends even ones that see themselves as healthy need to be prepared to die to take up their cross so God can make them alive A skillful storyteller Bush shows readers why churches must confront their mortality He examines the role of the prophetic leader who proclaims both the congregation s death and its resurrection He explores spiritual practices and the habits of wonder remember and risk taking for congregations that know they are dying or need to die Only by dying Bush says will a congregation find resurrection life given by God who raises the dead to life
