Paul having your entire carefully ordered world turned upside down As we envision the freedom and grace in which these individuals were invited to live we may learn to forget the childhood scripts the rules requirements and laws that bind us and allow ourselves instead to step out and dance with our creator to be transformed gently and continuously through the all encompassing love of Christ     *Dancing with God* Jay Emerson Johnson,2005 Johnson uses the metaphor of dance to help readers especially those without a theological background approach the discipline of theology as something everyone does and not only something to believe     **Dancing with God** Steve Wall,1998 Written in the voices of a dozen ordinary people whose lives have been irrevocably altered this work reveals the charismatic faith the author discovered during his journey across America     *To a Dancing God* Sam Keen,1990 Rediscovering the sacred through personal mythology Book jacket

Dryden,2025-02-21 *Dancing With The Devil* is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn t belong unless we give him access through the choices we make that reject Christ s statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices *Dancing With The Devil* teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land      **DANCING WITH GOD** LINDA.
