Chmerkovskiy, 2018-03-06 Poet, Dancer, Immigrant Artist, Son, Brother. There's always more than meets the eye. Valentin Val Chmerkovskiy has captivated viewers with his striking performances on *Dancing with the Stars* since his first step season after season. His raw talent, dashing looks, and genuine kindness have made him an instant beloved star. Now, for the first time ever, viewers will have an all-access pass to Val's life, and in *I'll Never Change My Name*, Val bares his soul, illuminating the thoughtful person he is both on and off the stage. In this revealing memoir, Val opens up about his life and career so far, where he's come from and where he hopes to go. He shows the reader some of the most notable moments from his childhood in Odessa, Ukraine, and his tight-knit family's immigration to the United States, including his struggles learning English as a stranger desperate to fit into a different culture, how he worked to become a premiere ballroom dancer, and of course, the collaborations and competitions with his brother and fellow DWTS sensation Maksim Maks Chmerkovskiy. After years of practice and discipline, Val, along with his older brother Maks, have reached the pinnacle of success, but it took a great deal of hard work and gratitude to get there. Sharing at times intimate and at times entertaining moments with early dance partners all the way up through celebrity dance partners such as Laurie Hernandez, Zendaya, Kelly Monaco, and Rumer Willis on *Dancing with the Stars*, Val expresses his enduring gratitude for the opportunities America has afforded him and his family, and for everything this country represents, offering hope not only to fans but everyone with a dream. Inspiring, heartfelt, and compulsively readable, including sixteen pages of never-before-seen photographs as well as a foreword by brother Maks Chmerkovskiy, *I'll Never Change My Name* is filled with Val's honesty and insight and moments that are sure to touch readers' hearts and inspire us all to keep it moving. [Leading America](#) Sean Spicer, 2020-10-13

The former White House Press Secretary and Communications Director analyzes our current political moment through the lens of politics and culture and argues that President Trump has put the country back on the right track and needs to be reelected in 2020. When it was announced that Sean Spicer would be the newest guest on ABC's *Dancing with the Stars*, he was promptly attacked by countless liberal media institutions. Apparently, they'd rather see him crawl under a rock forever than have a little fun on television while raising money for charity. And that was only a small example. All over the country, liberals are attacking conservatives with the kind of fervor once reserved for hardened criminals. It's a zero-sum game: either you're with them one hundred percent or you're the enemy. Whether you're in politics, media, academia, or entertainment, it's the same story. As one of the few people who's played a small part in all of those worlds, Sean Spicer has a unique perspective on the methods used

by the left to shut down conservative voices He s been parodied on SNL ripped apart on the nightly news and protested on college campuses all for doing his job Outside of the left s bubble however he s been able to transition from politics to entertainment very well and he s got huge numbers of supporters In *Leading America* he writes about all the ways President Trump has fought back against the Left and examines all the ways conservatives can take a stand to uphold their rights and values
