Dancing After Hours Stories:

Dancing After Hours Andre Dubus, 2011-07-20 A New York Times Notable Book of the Year From a genuine hero of the American short story comes a luminous collection that reveals the seams of hurt courage and tenderness that run through the bedrock of contemporary American life In these fourteen stories Dubus depicts ordinary men and women confronting injury and loneliness the lack of love and the terror of actually having it Out of his characters struggles and small failures and their unexpected moments of redemption Dubus creates fiction that bears comparison to the short story s greatest creators Chekhov Raymond Carver Flannery O Connor *Dancing After Hours* Andre Dubus, 1997 **The Colonel's Wife** Andre Dubus, 2015-05-25 A Vintage Shorts Short Story Month Selection The colonel had served in two wars with the Marines without being injured Then at home he breaks both legs falling off a horse and learns that his knees will never fully recover Together with his wife he will have to relearn everything all over again The Colonel s Wife is the moving story of a man and his wife the woman for whom when he met her for the first time he felt that he was looking at the sun without burning his eyes A story of peace after war and the continued drama of real life From Andre Dubus s masterful and compassionate collection *Dancing After Hours* a New York Times Notable Book An eBook short *Say It Hot, Volume II*: Eric Miles Williamson, 2014-10-15 *Say It Hot Volume II* Industrial Strength is a collection of essays on American poets fiction writers nonfiction writers and issues of interest to artists and academics A companion volume to *Say It Hot* these essays are brutally honest and acutely intelligent From the book Literary authors these days no longer make livings off their work Their books are not to be found in bookstores and the books are rarely printed by major New York publishing houses No one reads their works except for other literary authors and the professors who are evaluating their tenure and promotion folders at the colleges and universities at which they are employed and it s a minor miracle if a literary book from a small press sells a thousand copies Fiction writers from wealth write about writing or they write about the ridiculous sufferings of the rich Fiction writers from the lower classes write about the primordial filth from which they ve physically escaped but from which they ll never mentally be able to leave behind Like war veterans people who ve fought it out in the miasma of poverty and blue collar hell can never get the stink out of their skins try as they may Just like people who haven t been to war can spot vets who have middle class people and the rich can spot people who ve grown up poor no matter what their position in life or the quality of their designer suits Those suits just don t fit right and the neckties make them fidget and sweat What the well heeled authors and the working class writers have in common is that they ve been trained not to pronounce moral judgment
