Dancing Arabs:

Dancing Arabs Sayed Qashu, 2004 The debut novel by 28 year old Arab Israeli Kashua has been praised around the world for its honesty irony humor and its uniquely human portrayal of a young man who moves between two societies becoming a stranger to both Dancing Arabs Sayed Kashua, 2004-05-01 The debut novel by twenty eight year old Arab Israeli Sayed Kashua has been praised around the world for its honesty irony humor and its uniquely human portrayal of a young man who moves between two societies becoming a stranger to both Kashua's nameless antihero has big shoes to fill having grown up with the myth of a grandfather who died fighting the Zionists in 1948 and with a father who was jailed for blowing up a school cafeteria in the name of freedom When he is granted a scholarship to an elite Jewish boarding school his family rejoices dreaming that he will grow up to be the first Arab to build an atom bomb But to their dismay he turns out to be a coward devoid of any national pride his only ambition is to fit in with his Jewish peers who reject him He changes his clothes his accent his eating habits and becomes an expert at faking identities sliding between different cultures schools and languages and eventually a Jewish lover and an Arab wife With refreshing candor and self deprecating wit *Dancing Arabs* brilliantly maps one man's struggle to disentangle his personal and national identities only to tragically and inevitably forfeit both Dancing Arabs Sayed Kashua, 2002 **Let It Be Morning** Sayed Kashua, 2007-12-01 Now a major motion picture from award winning director Eran Kolirin A disturbing and powerfully accomplished novel of conflicting allegiances among Arab Israelis from the acclaimed author of *Dancing Arabs* The Guardian A young Arab journalist returns to his hometown an Arab village in Israel's borderland near the West Bank There his conflicted sense of belonging is forced into crisis when the village becomes a pawn in the endless power struggle that is the Middle East Hoping to reclaim the simplicity of life among his kin the prodigal son returns home to find that nothing is as he remembers everything is smaller the people are petty and provincial But when Israeli tanks surround the village without warning or explanation everyone inside is cut off from the outside world As the situation grows increasingly dire paranoia takes hold and the village community devolves into chaos In *Let It Be Morning* Arab Israeli author Sayed Kashua once again relates the experience of those caught in the middle the Arab Israelis who are citizens but are separated from many of their countrymen by faith and heritage School Library Journal Kashua writes about the Israeli Arabs balancing act with knowledge and passion Publishers Weekly **The Routledge Handbook of Muslim-Jewish Relations** Josef Meri, 2016-06-23 The Routledge Handbook of Muslim Jewish Relations invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique and original collaborations between

internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and scholarship in the academy and beyond

Rethinking Peace Alexander Laban Hinton, Giorgio Shani, Jeremiah Alberg, 2019-02-19 Long considered a subfield of international relations and political science Peace Studies has solidified its place as an interdisciplinary field in its own right with a canon degree programs journals conferences and courses taught on the subject Internationally renowned centers offering programs on Peace and Conflict Studies can be found on every continent Almost all of the scholars working in the field however are united by an aspiration attaining Peace whether positive or negative The telos of peace however itself remains undefined and elusive notwithstanding the violence committed in its name This edited volume critically interrogates the field of peace studies considering its assumptions teleologies canons influence enmeshments with power structures biases and normative ends We highlight four interrelated tendencies in peace studies hypostasis strong essentializing tendencies teleology its imagined end normativity the set of often utopian and Eurocentric discourses that guide it and enterprise the attempt to undertake large projects often ones of social engineering to attain this end The chapters in this volume reveal these tendencies while offering new paths to escape them Visit <http://www.rethinkingpeacestudies.com> for further details on the Rethinking Peace Studies project
