**Dancing in Your Head** Gene Santoro, 1994-03-24 As music columnist for The Nation Gene Santoro has established himself as an important new critical voice able to write well on a broad spectrum of popular music and jazz without losing touch with the cutting edge of today's music scene About Nat King Cole Santoro comments adjectives can't describe the swinging ingratiating self confidence laced with tenderness that colors Nat King Cole's singing His baritone tenor is so airy and elemental so palpably physical it invites you in then surrounds you glowingly And on the highly successful rock band Living Colour Santoro is no less evocative hardcore metal raveups slam into bluesy ballads and psychedelized pop lilting Caribbean inflections collide with hip-hop scrambles of prerecorded material and touches of funk Dancing in Your Head gathers Santoro's liveliest reviews and essays for the first time introducing a fresh and provocative perspective on several decades of musicians and their work Santoro covers a wide musical vista from the legendary blues singer Robert Johnson to Public Enemy's controversial rap lyrics from the long running clash between blues and African American gospel to the rock iconoclast Neil Young from the great James Brown to George Hay the founder of the Grand Ole Opry Documenting the evolution of jazz rock and roll and rap Santoro's observations are incisive honest and reflective Of his early exposure to Jimi Hendrix John Coltrane and Bela Bartok Santoro remarks That sense of wonder and discovery is what happens when you've been hit by art's immediate vatic power It has never left me has been touched and renewed by each encounter I've valued Santoro examines the staying power of music legends Lou Reed Eric Clapton the Grateful Dead and Sun Ra the freewheeling jazz artist who prefers to call himself a tone artist rather than a musician Special highlights include several pieces on Miles Davis book reviews including one on Gunther Schuller's two volume History of Jazz a lively and detailed profile of the Neville Brothers and a discussion of jazz great Ornette Coleman that compares him to Orson Welles and Charles Ives Taken together the pieces in Dancing In Your Head examine the historical roots of today's popular music while offering insight into performers and trends that dominate the current scene Balancing a critical and historical sensibility with an unharnessed enthusiasm for all forms of music Santoro is an ideal guide to the old and new *A Blues Bibliography* Robert Ford, 2008-03-31 *A Blues Bibliography* Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then In addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an

assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs Miles Davis Clarence Bernard
