Celebrate the Dandelions Valerie,2016-02-17 Valerie was born in 1945 when families were encouraged to keep secrets the rule what happens in Vegas stays in Vegas stems from this concept Unmarried and pregnant young girls were sent to visit their fictitious Aunt Martha or hidden in the upstairs bedroom If your father beat your mother you learned quickly to accept his behavior as the norm in all families What we now view as abnormal behavior was never discussed with friends neighbors or the authorities there were few laws governing family safety no books telling you what to do to protect yourself and no councilors to provide advice Silence ruled Sadly this silence birthed a generation of people unable to cope with the misery and chaos in their lives With no one to lead them out of the darkness many were forced to find their own coping methods which in turn created new and some not so new psychiatric maladies such as Borderline Personality disorder BPD a and Post Traumatic Stress Disorder PTSD Abuse all abuse creates monsters of us all whether we want to admit it or not
