Richardson, The air hung heavy with the scent of salt and hibiscus a fragrant symphony carried by the trade winds Paradise Cove a secluded resort tucked away on a pristine island in the Caribbean promised an escape from the world s troubles For a select group of guests it was a haven a sanctuary where they hoped to shed their burdens and embrace a temporary sense of bliss Among them was Alex Turner a former detective seeking refuge from a past that haunted him He arrived at Paradise Cove hoping to find solace but the resort s idyllic facade soon crumbled revealing a darker truth When the owner was found dead in the infinity pool the tranquil haven transformed into a scene of suspicion fear and escalating tension Trapped by an approaching hurricane and cut off from the outside world the guests found themselves stranded with a killer among them As the storm raged outside Alex drawn back into the role of investigator had to navigate a web of secrets hidden motives and escalating danger He knew the killer was one of them and as the body count rose the race against time became a desperate struggle for survival The journey that follows is a descent into the heart of darkness where the lines between truth and deception blur and the cost of paradise is measured not in dollars but in lives **Paperbound Books in Print** ,1992
