Dangerous Familiars:

Dangerous Familiars Frances E. Dolan, 2017-04-15 Looking back at images of violence in the popular culture of early modern England we find that the specter of the murderer loomed most vividly not in the stranger but in the familiar and not in the master husband or father but in the servant wife or mother A gripping exploration of seventeenth century accounts of domestic murder in fact and fiction this book is the first to ask why Frances E Dolan examines stories ranging from the profoundly disturbing to the comically macabre of husband murder wife murder infanticide and witchcraft She surveys trial transcripts confessions and scaffold speeches as well as pamphlets ballads popular plays based on notorious crimes and such well known works as *The Tempest* *Othello* *Macbeth* and *The Winter's Tale* Citing contemporary analogies between the politics of household and commonwealth she shows how both legal and literary narratives attempt to restore the order threatened by insubordinate dependents

Familiar Spirits Donald Tyson, 2004 For centuries familiars have assumed many forms the heavenly lover of the shaman the wise imp of the witch and the elemental companion of the theurgist But the time honored practice of summoning a magical assistant has been mostly forsaken due to the false perception that it is both difficult and dangerous Now renowned occultist Donald Tyson shares his revolutionary system for safely and successfully summoning directing and dismissing a familiar Accessible to dedicated beginners these techniques do not require expertise in formal ritual astrology or the Kabbalah Revealed here for the first time is Tyson's unique system for generating spirit sigils based on a set of symbols called Power Glyphs Familiars summoned by this method become valuable assistants who will do everything in their power to fulfill your goals
