Observations critiques sur les tableaux du Sallon de 1785, pour servir de suite au discours sur la peinture, 1785 **Old Poison** Josh Lanyon, 2012-10-02 Friends partners and now lovers If it was

complicated before it's even trickier now that Will has been assigned a case which guarantees he'll be working side by side with ex boyfriend David Bradley. As for Taylor, newly recovered from his recent shooting and finally off desk duty, being reassigned a new partner who seems as thrilled to be working with him as he is, here is just the start of his problems. Whoever has been leaving weird notes on his car windshield has graduated to sending him a dead cobra in a bottle of wine. Sure, DSS Agents Brandt and MacAllister have made a few enemies over the years, but until now it's never felt quite so personal. Taylor's insecurity about David Bradley and Will's uneasy suspicion Taylor isn't telling him everything he knows about his mysterious stalker puts them on shaky ground at the very moment a vengeful enemy is moving in for the kill.

Romance, illustrated, a complete weekly novelette, 1905 *Captured by her Cougar: A Forced Proximity Fated Mates Feline Shifter Romance* Felicity Heaton, 2019-03-16 Gabriella might be his enemy, but she's also alpha shifter Storm's true mate. In the wake of an Archangel attack on Cougar Creek, Storm is seething with a need for revenge against the hunter organisation, and the key to it might be the petite blonde mortal he's locked in his cabin, one he's determined to make sing for him. Only the beauty has a fiery temperament to match his own, and the more time he spends with her, the more she stokes a fire inside him. One that fills him with a startling and undeniable need to make her sing in another way, in his arms. Gabriella isn't going to take her captivity lying down. She's going to give the pig-headed brute holding her against her will hell, until he finally believes she's innocent. He might be a cougar shifter, but she isn't afraid of him. Or at least she isn't afraid of what he is. The way he affects her, the flames that lick through her whenever they're close, terrifies her, though, because the longer she's around the towering, sexy as sin shifter, the hotter that fire blazes, and it's only a matter of time before it burns away all her restraint. With the mating heat and the attack bringing cougars back to the creek, Gabriella is a complication Storm doesn't need, but she's one that he wants, because she might just be his one true mate.
