Dangerous Obsessions:

Murasaki Shikibu: The Tale of Genji Richard Bowring, 2004 Murasaki Shikibu's *The Tale of Genji* written in Japan in the early eleventh century is acknowledged to be one of Japan's greatest literary achievements and sometimes thought of as the world's first novel. It is also one of the earliest major works to be written by a woman. This introduction to the *Genji* sketches the cultural background, offers detailed analysis of the text, discusses matters of language and style, and ends by tracing the history of its reception through nine centuries of cultural change. This book will be useful for survey courses in Japanese and World Literature. Because *The Tale of Genji* is so long, it is often not possible for students to read it in its entirety, and this book will therefore be used not only as an introduction but also as a guide through the difficult and convoluted plot.

Will They Do it Again? Herschel Prins, 2002-01-04 Focus in the media on the risks posed to ordinary people has become increasingly strong in recent years, particularly on those risks popularly perceived to be posed by the mentally ill. But how justified is this concern? How do we best manage so-called dangerous people? In *Will They Do It Again*, Herschel Prins considers the issue of public protection within a broad context of risk in society, generally examining the concerns arising in contemporary society from dealing with uncertainty. It is argued that public fear over the danger posed by the mentally ill is at odds with the evidence, and that much of the concern is focused on a small number of high-profile cases. Prins goes on to examine such cases where management of the mentally ill has failed and sets out suggestions for improvements in practice. *Will They Do It Again* cuts through popular misunderstanding and media hype over risk to give a clear, unbiased picture of the real risks to society from the mentally ill and how best they can be contained and managed, and will prove invaluable to a range of practitioners involved in the fields of criminal justice and psychiatry.

Internal Family Systems Therapy for OCD Melissa Mose, 2025-09-08 Internal Family Systems Therapy for OCD offers a groundbreaking integration of the compassionate, parts-based IFS approach with evidence-based OCD treatments. This innovative guide introduces IFS for OCD and demonstrates Self-led Exposure and Response Prevention (Self-led ERP), a unique approach that maintains the therapeutic effectiveness of treatments that work while enhancing client engagement and facilitating enduring recovery. This approach helps clients develop healing relationships with the protective parts driving the obsessions and compulsions that perpetuate OCD. Through detailed case examples and practical techniques, clinicians learn to help clients access their inherent self-leadership, transform their relationship with uncertainty and fear, and achieve not just symptom reduction but internal balance, harmony, and perspective. This vital resource bridges the gap between relational psychotherapy and behavioral interventions, offering hope for clients who haven't fully responded to conventional treatments. This invaluable book is essential reading for family therapists and clinical psychologists who are interested in IFS and treat clients with OCD and other anxiety disorders.

Offenders, Deviants Or Patients? Herschel A. Prins, 2005 Aimed specifically at understanding the social context of the serious criminal offender who is deemed to be mentally abnormal, this third edition

takes into account major changes in the law attitudes research findings and procedures *Offenders, Deviants or Patients?* Herschel Prins, 2015-08-17 *Offenders Deviants or Patients* provides a practical approach to understanding both the social context and treatment of mentally disordered offenders Taking into account the current public concern often heightened by media sensationalism it addresses issues such as sex and historic sex offending hate crime homicide and other acts of serious bodily harm This fifth edition is fully updated and incorporates the latest research and reflects recent changes in law policy and practice including DSM V criteria groundbreaking work on neuro physiological aspects of psychopathy the Coroners and Justice Act Using new case examples Herschel Prins draws on his own expertise and experience to examine the relationship between mental disorders and crime and looks at the ways in which it should be dealt with by the mental health care and criminal justice systems *Offenders Deviants or Patients* is unique in its multidisciplinary approach and will be invaluable to all those who come into contact with serious offenders or those who study crime and criminal behaviour *Stalking, Threatening, and Attacking Public Figures* J. Reid Meloy, Lorraine Sheridan, Jens Hoffmann, 2008-06-12 *Stalking Threatening and Attacking Public Figures* is a comprehensive survey of the current knowledge about stalking violence risk and threat management towards public figures With contributions from forensic psychologists clinicians researchers attorneys and current and former law enforcement professionals this book is the first of its kind international in scope and rich in both depth and complexity *The Art of Natural Sleep* Lyman Pierson Powell, 1909 *Dangerous Obsessions* Tracy Lewis,

Dangerous Obsessions Jamie Greenfield, 2020-07-10 Maisie West was a typical teenager from a broken family She along with her twin sister had made the best life for themselves and their dad That all ends one day when a simple letter arrives in the mail In all the threatening notions made in the letter Maisie realizes it is up to her to solve this puzzle in less than a week In this riveting story of life love and loss we follow Maisie through her coming of age trial by fire As we explore her life live through her decisions experience the profound joys of love and sorrows of loss we will soon find out if Maisie has what it takes to survive the coming week and also manage to save those closest to her **Confessions of Two Brothers** John Cowper Powys, Llewelyn Powys, 1916 *Obsessive-compulsive Disorder* Jonathan S. Abramowitz, 2006 Based on decades of scientific research and clinical refinement cognitive behavioral therapy using the techniques of exposure and response prevention has helped countless individuals with OCD overcome debilitating symptoms and live fuller more satisfying lives From leading expert Jonathan S Abramowitz this volume opens with an overview of the diagnosis and assessment of OCD and delineates a research based conceptual framework for understanding the development maintenance and treatment of obsessions and compulsions The core of the book is a highly practical treatment manual packed with helpful clinical pearls therapist patient dialogs illustrative case vignettes and sample forms and handouts Readers are equipped with skills for tailoring exposure and response prevention techniques for patients with different types of OCD symptoms including washing checking ordering obsessions and mental rituals The book which also addresses common obstacles in treating individuals

with OCD represents an essential resource for anyone providing services for individuals with anxiety disorders Skin and Venereal Diseases, Nervous and Mental Diseases ,1903 Singing Herbert Witherspoon,1925 **The Laws of Life and Health** Alexander Bryce,1910 Obsessed Ronald Markman,1994 A story of madness and the perils of innocent stalked victims written by a forensic psychiatrist and an investigative journalist *Sajous's Analytic Cyclopedia of Practical Medicine* Charles Eucharist de Medicis Sajous,1912 Good Health ,1909 **Skin and Venereal Diseases** ,1903
 Dermatology and Syphilis [and] Urology ,1903 **Book Review Digest** ,1927

As recognized, adventure as competently as experience more or less lesson, amusement, as with ease as promise can be gotten by just checking out a ebook **Dangerous Obsessions** plus it is not directly done, you could resign yourself to even more on the order of this life, more or less the world.

We meet the expense of you this proper as well as easy quirk to get those all. We allow Dangerous Obsessions and numerous books collections from fictions to scientific research in any way. in the course of them is this Dangerous Obsessions that can be your partner.
