Dangerous Dossiers Exposing The Secret War Against Americas Greatest Authors

Mike Keen

Dangerous Dossiers Exposing The Secret War Against Americas Greatest Authors:

Dangerous Dossiers Herbert Mitgang, 2015-11-24 *Dangerous Dossiers* is as powerful and relevant today as it was when it first made worldwide headlines 25 years ago a chilling reminder of the dangers of unfettered government intrusion into the lives and beliefs of private citizens whether famous or not This shocking account by award winning author and former New York Times cultural reporter Herbert Mitgang provided hard evidence for the first time of the decades long cultural war waged by the FBI and other federal intelligence gathering agencies against scores of the world s most renowned writers and artists Using the Freedom of Information Act to pry loose actual surveillance files kept by the FBI Mitgang documented that the targets of government snooping included a who s who of the literary and artistic worlds whom J Edgar Hoover and his red baiting legions suspected of communist leanings or outright disloyalty usually with no basis whatsoever They included Ernest Hemingway John Steinbeck William Faulkner Thornton Wilder Carl Sandburg Norman Mailer Robert Frost and Allen Ginsburg and artists including Alexander Calder Georgia O Keefe and Henry Moore Called a fascinating illuminating and above all morally decent book by The New York Times and first class journalism by The Associated Press this exposé and the many dangerous dossiers it contains reveal no evidence of guilt on the part of the targets of the FBI witch hunts But Mitgang finds plenty of proof of the paranoia political bias and cultural illiteracy of those who controlled the nation s most powerful investigative agencies The Fortunes of German Writers in America Wolfgang Ise, James N. Hardin, Günther Holst, 1992

Surveillance in America Ivan Greenberg, 2012-05-31 *Surveillance in America* provides a historical exploration of FBI surveillance practices and policies since 1920 based on recently declassified FBI files Using the new information available through these documents Ivan Greenberg sheds light on the activities and beliefs of top FBI officials as they develop and implement surveillance practices Paying particular attention to the uses of the media Greenberg provides a thorough reconsideration of the Watergate scandal and the role of W Mark Felt as Deep Throat He exposes new evidence which suggests that Felt led a faction at the FBI that worked together to bring down President Nixon The book concludes with an in depth treatment of surveillance practices since the year 2000 He considers the question of surveillance as harassment and looks at the further erosion of privacy stemming from Obama s counter terror policies which extend those of the Bush Administration s second term The startling increase in surveillance since the events of September 11th reveal the extent to which America is losing the battle for civil liberties **The Dangers of Dissent** Ivan Greenberg, 2010-10-14 While most studies of the FBI focus on the long tenure of Director J Edgar Hoover 1924 1972 *The Dangers of Dissent* shifts the ground to the recent past The book examines FBI practices in the domestic security field through the prism of political policing The monitoring of dissent is exposed as are the Bureau s controversial counterintelligence operations designed to disrupt political activity This book reveals that attacks on civil liberties focus on a wide range of domestic critics on both the Left and the Right This book traces the evolution of FBI spying from 1965 to the present through the eyes of those under investigation as

well as through numerous FBI documents never used before in scholarly writing that were recently declassified using the Freedom of Information Act or released during litigation *Greenberg v FBI* Ivan Greenberg considers the diverse ways that government spying has crossed the line between legal intelligence gathering to criminal action While a number of studies focus on government policies under George W Bush s War on Terror Greenberg is one of the few to situate the primary role of the FBI as it shaped and was reshaped by the historical context of the new American Surveillance Society Publishing Blackness George Hutchinson, John Young, 2018-05-09 The first of its kind this volume sets in dialogue African Americanist and textual scholarship exploring a wide range of African American textual history and work The Zapruder Film David R. Wrone, 2003 David Wrone one of the nation s foremost authorities on the JFK assassination reexamines Zapruder s film with a fresh eye and a deep knowledge of the forensic evidence Public Library Catalog , 1994 The Messenger Karl Evanzz, 1999 Here eagerly anticipated is the definitive biography of Elijah Muhammad ne Elija Poole a sharecropper s son with a fourth grade education who became one of the most controversial Americans of the twentieth century the founder and Prophet of the Nation of Islam a movement dedicated to black separatism and self empowerment Though Muhammad s main argument that white people were innately evil devils he called them ran counter to the precepts of orthodox Islam he was the chief influence in the conversion of nearly four million African Americans to Islam touching in the process the lives of figures ranging from Muhammad Ali and Jesse Jackson to Malcolm X and Louis Farrakhan But in his desperate grasp for power Muhammad also amassed a huge personal fortune at the expense of his followers He was a party to ritualistic homicides had illicit affairs galore and was quick to betray his friends and charges most notably Malcolm X In brief he violated every ideal and principle that he espoused With the cooperation of some of Elijah Muhammad s children and former apostles and with access to previously unreleased FBI files Karl Evanzz gives us an unprecedented account of the life of the man whose philosophy continues long after his death to shape race relations in America Nazis, Communists, Klansmen, and Others on the Fringe John George, Laird M. Wilcox, 1992 The freedoms guaranteed by our Bill of Rights have allowed a simmering subculture of political fringe groups to develop and even to flourish in America as they have in no other nation These radical associations sometimes dangerous sometimes merely quirky illuminate a dark part of the American psyche In this encyclopedic work John George and Laird Wilcox present a thorough and fair assessment of extremist groups on the periphery of the American political system The authors begin by surveying the history of the extremist trend in America prior to 1960 They then delineate the general characteristics of extremism on both ends of the political spectrum relate extremism to constitutional principles and analyze the factors that motivate fringe group members The bulk of the book is devoted to an in depth discussion of more than forty separate groups from the extreme right and left The authors examine each group s history beliefs and current activities The book concludes with a fascinating appendix on the use of fake quotes and fabricated documents a common ploy of many extremist organizations American Intelligence, 1775-1990 Neal H. Petersen, 1992

The Eugene O'Neill Review ,1991 **Stalking the Sociological Imagination** Mike Keen,1999-05-30 An account of the FBI's investigation of prominent American sociologists based on documents obtained through the Freedom of Information Act It suggests that the FBI marginalized critical sociologists and suppressed the development of a Marxist tradition in American sociology *Beyond Bullets* Jules Boykoff,2007 How government and media team up to silence sometimes permanently dissenting voices in the United States **The State and the People** Diane M. T. North,2001 *Public Library Catalog* Juliette Yaakov,1994 Cited in Sheehy and Walford A core working tool for acquisitions librarians reference librarians and catalogers in public and undergraduate libraries the Catalog is a list of recommended reference and nonfiction books for adults published quinquennially with annual supplements for the intervening years The titles are classified by subject and include complete bibliographical data as well as descriptive and critical annotations This edition consists of 7 735 titles and 3 999 analytical entries Some 4 000 additional titles will appear in the four supplements In addition to the main classified catalog there is a comprehensive author title subject and analytical index and a directory of publishers and distributors Annotation copyright by Book News Inc Portland OR *Henry Moore Bibliography: Index 1898-1991, Concordance. Together with a selection of monographs, and a checklist of Henry Moore's library with a commentary* ,1992

Talking Book Topics ,1991 **Censored Books** Nicholas J. Karolides, Lee Burrell, John M. Kean,1993 A collection of essays confronting the censorship issue including six authors views and defenses of individual books **The Thomas Wolfe Review** ,1997 *Archivaria* ,2003

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Dangerous Dossiers Exposing The Secret War Against Americas Greatest Authors**

In a world inundated with screens and the cacophony of immediate transmission, the profound energy and emotional resonance of verbal beauty frequently fade into obscurity, eclipsed by the constant onslaught of noise and distractions. However, nestled within the lyrical pages of **Dangerous Dossiers Exposing The Secret War Against Americas Greatest Authors**, a charming perform of literary beauty that impulses with raw thoughts, lies an memorable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, that mesmerizing opus guides visitors on a mental odyssey, gently revealing the latent possible and profound influence stuck within the complicated internet of language. Within the heart-wrenching expanse of this evocative examination, we can embark upon an introspective exploration of the book is main subjects, dissect their fascinating writing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
