**Partial Faiths** John A. McClure, 2010-01-25 Spiritual conversions figure heavily in such novels as Thomas Pynchon's *Vineland* Toni Morrison's *Paradise* and Louise Erdrich's *Love Medicine* What connects such varied works is that their convert characters are disenchanted with secularism yet apprehensive of dogmatic religiosity *Partial Faiths* is the first study to identify a body of contemporary fiction in such terms take the measure of its structures and strategies and evaluate its contribution to public discourse on religion's place in postmodern life Postsecularism is most often associated with philosophers and theorists such as Jacques Derrida Richard Rorty Charles Taylor William Connolly Jürgen Habermas and Gianni Vattimo But it is also being explored and invented says John A. McClure by many novelists Leslie Marmon Silko Don DeLillo Michael Ondaatje and N. Scott Momaday among others These novelists who are often regarded as belonging to different domains of contemporary fiction are fleshing out the postsecular issues that scholars treat more abstractly But the modes of belief elaborated in these novels and the new narrative forms synchronized with these modes are dramatically partial and open ended Postsecular fiction does not aspire to any full mapping of the reenchanting cosmos or any formal moral code nor does it promise anything

like full redemption It is partial in another sense as well it is emphatically dedicated to progressive ideals of social transformation and well being in repudiation of resurgent fundamentalist prescriptions for the same     **Dangerous Enchantment** Caroline Fanshawe,1967     **Ashoka the Great** Wytze Keuning,2021-09-22 The historical novel Ashoka the Great is the life story of one of India s greatest monarchs living in the 3d century B C The Ashoka chakra the wheel of Dharma adorns since India s independence the Indian flag His nearly 40 years government is viewed today by scholars as the first welfare state the world has known In part 1 of the trilogy The Wild Prince we see how his passionate but honest character leads him often into difficulties He is praised for his pride and courage yet feared for his direct tough actions looking through the trickery of enemies As the successor of his father he becomes The Wise Ruler part 2 a governor ruling with wisdom strict laws and justice After a terrible war in which numerous people lost their life he embraced Buddhism forswearing all wars of attack After years of ruling applying the wisdom of Gautama the Buddha he becomes Dharmashoka the great admonisher part 3     **Popular Aspects of Oriental Religions** Louis Oliver Hartman,1917     **Plato and the Traditions of Ancient Literature** Richard Hunter,2012-01-26 Plato is one of the central figures of the Greek literary heritage This book explores that heritage in antiquity     *The West End* Percy White,1900     **Crime Fiction, 1749-1980** Allen J. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
