## **Dangerous Hour:**

The Dangerous Hour Marcia Muller, 2007-07-31 San Francisco's toughest private eye Sharon McCone is back and fighting for her life in Marcia Muller's acclaimed series Sharon McCone's detective agency is growing and the future is looking bright But when one of her employees the streetwise and savvy Julia Rafael is arrested for stealing a credit card from a client the entire firm's reputation could be ruined Although the evidence against her is strong Julia swears she's innocent And as McCone begins to dig deeper she discovers that someone is out to destroy everything she's built Now it's her turn to prove just how tough she really is and how far she'll go to get justice and some payback of her own *The Dangerous Hour*

Richard H. Blum, Eva Maria Blum, 1970 **Of Temptation: the Nature and Power of It; the Danger of Entering Into It; and the Means of Preventing that Danger. With a Resolution of Sundry Cases Thereunto Belonging** John OWEN (D.D.), 1831 Tower of Skulls Richard B. Frank, 2020-03-03 A sweeping epic Promises to do for the war in the Pacific what

Rick Atkinson did for Europe James M Scott author of Rampage In 1937 the swath of the globe east from India to the Pacific Ocean encompassed half the world's population Japan's onslaught into China that year unleashed a tidal wave of events that fundamentally transformed this region and killed about twenty five million people This extraordinary World War II narrative vividly portrays the battles across this entire region and links those struggles on many levels with their profound twenty first century legacies In this first volume of a trilogy award winning historian Richard B Frank draws on rich archival research and recently discovered documentary evidence to tell an epic story that gave birth to the world we live in now **Murder,**

**an Analysis of Its Forms, Conditions, and Causes** Gerhard Falk, Clifford Falk, 1990 A unique study providing evidence that murder is predictable and the exceptionally high murder rate in the United States is reducible Part I examines 50 case histories and an analysis of 912 homicides from an original study made in Erie County Buffalo New York Part II discusses multicide serial killers and mass murderers Part III covers assassinations and executions and a final part presents conclusions India's War Srinath Raghavan, 2016-05-10 Between 1939 and 1945 India underwent extraordinary and

irreversible change Hundreds of thousands of Indians suddenly found themselves in uniform fighting in the Middle East North and East Africa Europe and something simply never imagined against a Japanese army poised to invade eastern India With the threat of the Axis powers looming the entire country was pulled into the vortex of wartime mobilization By the war's end the Indian Army had become the largest volunteer force in the conflict consisting of 2.5 million men while many millions more had offered their industrial agricultural and military labor It was clear that India would never be the same the only question was would the war effort push the country toward or away from independence In India's War historian Srinath Raghavan paints a compelling picture of battles abroad and of life on the home front arguing that the war is crucial to explaining how and why colonial rule ended in South Asia World War II forever altered the country's social landscape overturning many Indians' settled assumptions and opening up new opportunities for the nation's most disadvantaged people

When the dust of war settled India had emerged as a major Asian power with her feet set firmly on the path toward Independence From Gandhi s early urging in support of Britain s war efforts to the crucial Burma Campaign where Indian forces broke the siege of Imphal and stemmed the western advance of Imperial Japan Raghavan brings this underexplored theater of WWII to vivid life The first major account of India during World War II India s War chronicles how the war forever transformed India its economy its politics and its people laying the groundwork for the emergence of modern South Asia and the rise of India as a major power **Collier's** ,1928 Railroad Brakemen's Journal ,1909 *Dreams, Healing, and Medicine in Greece* Professor Steven M Oberhelman,2013-06-28 This volume centers on dreams in Greek medicine from the fifth century B C E Hippocratic Regimen down to the modern era Medicine is here defined in a wider sense than just formal medical praxis and includes non formal medical healing methods such as folk pharmacopeia religion magical methods e g amulets exorcisms and spells and home remedies This volume examines how in Greek culture dreams have played an integral part in formal and non formal means of healing The papers are organized into three major diachronic periods The first group focuses on the classical Greek through late Roman Greek periods Topics include dreams in the Hippocratic corpus the cult of the god Asclepius and its healing centers with their incubation and miracle dream cures dreams in the writings of Galen and other medical writers of the Roman Empire and medical dreams in popular oneirocritic texts especially the second century C E dreambook by Artemidorus of Daldis the most noted professional dream interpreter of antiquity The second group of papers looks to the Christian Byzantine era when dream incubation and dream healings were practised at churches and shrines carried out by living and dead saints Also discussed are dreams as a medical tool used by physicians in their hospital praxis and in the practical medical texts iatrosophia that they and laypeople consulted for the healing of disease The final papers deal with dreams and healing in Greece from the Turkish period of Greece down to the current day in the Greek islands The concluding chapter brings the book a full circle by discussing how modern psychotherapists and psychologists use Asclepian dream rituals on pilgrimages to Greece **Modern Seamanship** Austin Melvin Knight,1921 **The Editorial** ,1916 **The Iliad of Homer, Translated by Pope** Homère,1870 **Quarterly Review of the Methodist Episcopal Church, South** ,1919 **Matthew Arnold's Merope** Matthew Arnold,1917 Church Hymns Arthur Sullivan,1898 Hymns for Public and Social Worship, selected chiefly for the use of the Stockport Sunday School.
